~~60 Quick Baby Blankets — LoveCrafts~~

This garter stitch baby blanket involves two colors and is worked with two strands of yarn throughout, making a super warm and squishy blanket that's also pretty fast to knit. In the same vein are the super easy baby blanket and its variations, the new version and the crib blanket version, from Purl Soho. All of these use stripes to make them a little more interesting to knit and to use, but you could always make a solid color one if you'd rather, or use a multicolored yarn.

A cute little pig, a cuddly lion, a big-eared elephant, an irresistible cat, an adorable sheep and a whimsical unicorn are just a few of the characters in the enchanting woolly menagerie. Children and grown ups will love the different characters, and knitters will be delighted with the easy methods of making one. Warm and full of personality, the animals are developed from the basic shape with ease, with knitters having the choice of different ears, arms, legs and tails to accentuate individual features. A start up section shows them how, close up photographs are accompanied by instructions and charts and the way the author designer has paired the animals up for ease of reference is charming. Knitters of all skill levels will find much to enjoy in this book if they are seeking the perfect way to create a special gift for a child, or if they are looking for new ideas.

Nikki Van De Car spent the months before her daughter's birth knitting constantly to keep her hands busy and to help the time before her arrival pass more quickly. She knitted everything from sweaters and hats to burp cloths and stuffed animals. Over the course of the following year, she learned which items were actually useful, and which sat in a drawer, never to be worn. The 28 patterns collected in 'What to Knit When You're Expecting', for babies aged from 0 to 12 months, are the best of these, and include booties, mittens, bibs and blankets, as well as sweaters, hats and cardigans. All are relatively simple, so can be knit while your mind is elsewhere, and
