Some people say that "chick lit," as a genre, resists innovation, that it's formulaic. I am delighted to be able to offer to them evidence to the contrary in the form of A Perfect Proposal. Its author, Katie Fforde, has done the incredible and written a romance with an actual wet dishrag as

and the heroine is  
someone I would  
really like to be. She  
is tall, slim and

involves a road trip,  
some trans Atlantic  
travel and a very  
eccentric old lady. It  
also features a  
painting of a house

Although it is generally well narrated, it is especially good on all the accents too. A Perfect proposal is a rocky road to love and certainly up to Katie Fforde's usual high standards. And although not quite as 'perfect' as the title would suggest, this
