At first the A320 was designed without winglets, but only a few were delivered (A320-100). Quickly the A320, and later A318, A319 and A321, received small winglets. These have a part up and a part down. Later Airbus developed a new, tall winglet for the A320 family, more like those on the Boeing 737NG. These are
