Edward Joseph Snowden (born June 21, 1983) is an American whistleblower who copied and leaked highly classified information from the National Security Agency (NSA) in 2013 when he was a Central Intelligence Agency (CIA) employee and subcontractor. His disclosures revealed numerous global surveillance programs, many run by the NSA and the Five Eyes Intelligence Alliance with the cooperation of ...

This is the story of an adult experiencing triumph over brutal abuse suffered as a child. Becky Smattern tells how she was able not only to survive the abuse but also to find peace and healing. Abuse in childhood can follow you throughout your life and continue to damage relationships, but Becky did not allow that to happen. You can learn how she found peace, forgiveness, and freedom from the horrors of childhood abuse.

This book takes you through six weeks of activities on the theme of all about me. Each activity is linked to a specific Early Learning Goal, and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting. This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children's topic, as well as ideas for bringing the six weeks of learning together. Games and activities relate to every part of the body - from fingers to toes! Includes ideas for a 'healthy eating week' plus unusual variations on traditional games to tie in with the topic.

Convicted on charges of protest sabotage in 1964, Hugh Lewin spent seven years in prison in South Africa, secretly recording his experiences and those of his fellow inmates on the pages of his Bible. On his release, these writings were published in London while the book remained banned in South Africa for many years. Hailed as a classic of South African prison writing, Bandiet out of Jail contains the full text of the original, as well as poems and descriptions of Lewin ' s experiences with the Truth and Reconciliation Commission that offer unique insights into changes in the political and emotional landscape since his return to South Africa in 1992. The illustrations comprise original prison drawings by Harold Strachan, twice a fellow bandiet with Lewin in Pretoria. Bandiet out of Jail was awarded the Olive Schreiner Prize in 2003.

Selected by Asiaweek as one of the 10 Best Chinese Novels of 2006 Winner, Singapore Literature Prize for Chinese 2008 Selected by The Business Times as one of the Best Books of 2014 The Chinese protagonist of Cultural Medallion recipient Yeng Pway Ngon's novel, Trivialities about Me and Myself, is a journalist turned entrepreneur who possesses a split personality. " Me " is a figure consumed by greed and sexual desire, two impulses that undermine his careers, his two marriages, and his relationship with his son. Throughout the novel he engages in a dialogue with his other identity, the moralistic " Myself " , whose principled stances try but usually fail to win over his other half. The protagonist ' s lifetime, from childhood to his dying days in a rest home, parallels the modern history of Singapore itself and its evolution from a colonised city to a consumer-oriented nation, one in which an English-language educational system and commercial interests suppress indigenous languages and traditions. While the meticulously described action takes place in the city, the real setting is within the psyche of the narrator, whose two halves are engaged in an epic struggle for dominance.

Washington Irving first made an international literary splash with the essay collection The Sketch Book of Geoffrey Crayon, Gent. This follow-up volume contains a similarly charming mix of sketches, observations, humor writing, and other short pieces.

This comprehensive volume presents Richard M. Billow ' s unique contributions to the theory and technique of psychotherapy, along with summaries and explications by the volume ' s editor, Tzachi Slonim. Through their behavior, therapists define the clinical culture: how relationships are to be regarded and the depth to which narratives and exchanges may be considered. Known for his integration of Bion ' s metapsychology with contemporary psychoanalysis, Billow extends our understanding of "relational" to include the emotional relationships people have with individual and collective ideas, and the behaviors attached to these ideas. "Doing our work" (the title of the last section) involves the therapist ' s whole being, including cognitions, dreams, words, deeds, and very presence—mental and somatic. Drawing on Lacan, Billow suggests that therapeutic work ought to include a willingness to penetrate other minds with provocative, controversial ideas. His clinical vignettes portray a masterly clinician-in-action, describing his evolving feelings, thoughts, and assessments. Billow ' s intimate knowledge of Bionian theory, coupled with his down-to-earth demeanor and clear writing, allows him to explicate and expand upon Bion ' s important contributions in a manner accessible to the novice and expert therapist alike. With one eye on therapeutic process, and the other on each participant including the therapist himself, Billow invites each of us to change our minds.

When Sotirios Majoros ' s thirteen-year-old daughter asked him a seemingly simple question, " What is life? " , little did she realize the explosion of thoughts and ideas that she would set off in her father ' s mind. To answer her question, Sotirios found himself looking back through time to the father of history, Herodotus, and across humanity ' s numerous cultures, focusing in particular on how this question is expressed through various pieces of artwork, such as sculptures and paintings. He also looked back through his own life, eventually realizing that lurking beneath his daughter ' s question was an even more fundamental question: Who am I? His attempt to answer this question forms the foundation of this book.

"I am so grateful for the ability to step beyond my old limits to experience and participate in my own life." Who is the least likely person to reach for her dreams, to step over the baggage that the family disease of alcoholism can create? Who is the least likely person to rise above the loneliness, isolation, and fear of her own shadow? A Girl like Me ...that's who. Simply Sue starts out with a compelling story of struggle, strength, and courage as her faith grows and blossoms in her spirit, awakening her ability to walk through fear after fear to be a part of her dreams coming true, drawing others in to share with light and love of God. Sometimes you have to step out in order to step in--trust in God and tie your camel to a tree. So grab a cup of tea and your favorite afghan and curl up with A Girl like Me. Simply Sue will take you through a bit of her life from there to here and share stories that will make you laugh and cry or nod your head. Come along and experience the transformation first-hand and be inspired to become willing to be all you are meant to be! "Remember, faith does not take away our humanness; it restores our ability to remember who we are." - Simply Sue

"An astonishing book. . . .Maimie wrote like a dream"--New York Times Book Review
