Your reference list should be ordered alphabetically by author and then chronologically by year of publication. The APA 6th style requires the references to be indented as illustrated below in the examples. For instances of multiple articles with the same authors and years of publication, please check the APA publication manual or Academic Writer. If you have the DOI for the journal article, you should include it in the reference, otherwise, it is not necessary.

Basic book citation format The APA in-text citation for a book includes the author's last name, the year, and (if relevant) a page number. In the reference list, start with the author's last name and initials, followed by the year. The book title is written in sentence case (only capitalize the first word and any proper nouns).
