Learning to make your own jewelry is easy with the step-by-step instructions in Simple Beginnings: Beading. Author Suzann Sladcik Wilson teaches you everything you need to know to bring out your inner jewelry designer. By learning about the different varieties of beads and becoming familiar with stringing materials, findings, and clasps, you'll soon discover there is no wrong way to design earrings, necklaces, and bracelets- only your way.

Any paper—magazines, newspapers, wrapping paper, copy paper—can be upcycled into a variety of shapes and sizes of paper beads that can be used to make colorful, unique pieces of jewelry that no one would guess are made from paper. Fashioned from thin strips of paper and painted in a variety of ways, the beads you make can then be used to make elegant drop earrings, beaded necklaces, and bracelets. Combine them with other unique beads and charms for even more looks. Includes instructions on how to create the paper beads, as well as how to use metal findings, leather cords, and other materials to create professional-looking designs.

In an attractive craft kit, clear instructions, illustrations, and color photography show, in step-by-step detail, how to make seven basic ring designs, and includes wire and a generous supply of Czech seed beads in six colors.

With this gloriously photographed and illustrated manual at hand, beadern can create awe-inspiring jewelry. It's the only current, comprehensive guide to working with cabochons—a flat piece of rock or mineral—and it covers all the basics, along with a range of new creative techniques and hot trends. Find out which tools and materials to use, which beads work best, and how to wrap them round the stones. Craft turned, pointed, twisted, brick stitch, ruffled, or scalloped edges, or add decorative fringe. For something dramatic, combine more than one cabochon in a single piece. Or, instead of natural stone, use dichroic glass or other found objects. Make a glittering brooch, funky bracelets, a wearable art necklace, and other showstoppers.
