This book provides not only the theories of basic law, but also the topics and techniques that readers need to apply the law in actual situations. It offers in-depth coverage of the four areas faced most often in practice -- leases, deposit receipts, listing agreements and deeds of trust -- featuring an up-to-date list of actual, relevant case profiles that bring the law to life. Reflected throughout the book are many recent changes in law -- such as the elimination of justice courts, dollar amount changes of many statutes, etc. -- as well as topics of interest to today's legal professional -- such as alternate dispute resolution (including arbitration and mediation), toxic waste, environmental control and more.
