Brown, Theodore E.; LeMay, H. Eugene; Bursten,
Bruce E.; Murphy, Catherine; Woodward, Patrick and a
great selection ...

If you think you know the Brown, LeMay Bursten
Chemistry text, think again. In response to market
request, we have created the third Australian edition
of the US bestseller, Chemistry: The Central Science.
An extensive revision has taken this text to new
heights! Triple checked for scientific accuracy and
consistency, this edition is a more seamless and
cohesive product, yet retains the clarity, innovative

pedagogy, functional problem-solving and visuals of the previous version. All artwork and images are now consistent in quality across the entire text. And with a more traditional and logical organisation of the Organic Chemistry content, this comprehensive text is the source of all the information and practice problems students are likely to need for conceptual understanding, development of problem solving skills, reference and test preparation.

that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.
