Coke took on the persona of a citizen during the war and stated repeatedly that it was enlisting its sugar for the public good. Despite being the number one brand in the world, coke was always a net consumer not a net producer since it outsourced all its production - way before the word 'outsourced' attained its current popularity.

An eye-opening account of the "unmatched ecological appetite" behind Coca-Cola's worldwide success. In this deeply informed debut, Elmore (History/Univ. of Alabama) details the outsourcing strategy that he calls "Coca-Cola Capitalism," which has allowed Coke to become the world's top brand, with operations in more than 200 countries, at a huge cost to the environment and human health.
