The church of Jesus Christ is not sufficiently aware of the realities of curses, oaths and covenants, and how some of these legacies affect the covert Christians and even Christian leaders. Many today are deceived to think that the devil is only in the mind equating the devil and all his wiles with mere psychological malfunctions. How can they believe in what they do not sufficiently understand? This book will attempt to bring the inquirer to the conclusion that negative spiritual legacies do exist and indeed affect many destinies adversely. It also prescribes a step by step scriptural solutions on how to destroy oaths, covenants, curses or negative genetic imports and altars affecting lives today.

In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Paganì, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In The Secrets to Deliverance Paganì shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? The Invisible War examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.
