legendary gambling club owner who was born a bastard and raised in the streets. His reputation is unsavory, his scruples nonexistent. But Sara senses that beneath Derek's cynical exterior, he is capable of a love more passionate than her deepest fantasies. Aware that he is the last man that an innocent young woman should ever want, Derek is determined to protect Sara from himself, no matter what it takes. But in a world where secrets lurk behind every shadow, he is the only man who can keep her safe. And as Derek and Sara surrender to an attraction too powerful to deny, a peril surfaces from his dark past to threaten their happiness . . . and perhaps even their lives. A man who will do anything to possess her . . . To Alex's fury, the headstrong hellion presents a temptation he can't resist. He vows to make her pay dearly for her interference—with her body, her soul, and her stubborn, well-guarded heart. As Alex and Lily challenge each other at every turn, they are caught up in a white-hot desire that burns through every defense and exposes the mystery of Lily's past . . . and together they discover that love is the most dangerous game of all.

Meet Kim, a fairly ordinary, middle-aged woman with a job, two adult children, and a difficult husband. For enjoyment, she plays the stock market, buys expensive handbags and sneaks an occasional cigarette. But when a casino opens within driving distance of her house, her life as she knows it will soon be over. This is a story of addiction. This is a story of one woman's descent into gambling hell, where the compulsion to play slots and power machines is so great, she will risk it all in order to place just one more bet.

The #1 New York Times bestselling author continues her evocative Westmoreland Dynasty Saga with this romance following two defiant hearts clashing over a furious battle of wills in the glorious age of chivalry. Abducted from her convent school, headstrong Scottish beauty Jennifer Merrick does not easily surrender to Royce Westmoreland, Duke of Claymore. Known as "The Wolf," his very name strikes terror in the hearts of his enemies. But proud Jennifer will have nothing to do with the fierce English warrior who holds her captive, this handsome rogue who taunts her with his blazing arrogance. Boldly she challenges his will—until the night he takes her in his powerful embrace, awakening in her an irresistible hunger. And suddenly Jennifer finds herself ensnared in a bewildering web—a seductive, dangerous trap of pride, passion, loyalty, and overwhelming love.

A wealthy and bitter exile, the most dangerous and desirable man in all of England, he burns to possess a proud, headstrong beauty who is promised to another. For there his destiny awaits him in a distant life. And in one remarkable woman's tender touch—achingly familiar but gloriously new—he must seek the elusive promise of ecstasy . . . and learn, at last, to love.

Dear Avon Books, Where are my heroes? Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from *Someone to Watch Over Me* by Lisa Kleypas—that doctor could sit by my bedside if I ever got sick. And Ned Blyden in *Splendid* by Julia Quinn...he makes me want to learn to waltz! I never thought living
