By combining algebraic and graphical approaches with practical business and personal finance applications, South-Western's FINANCIAL ALGEBRA, motivates high school students to explore algebraic thinking patterns and functions in a financial context. FINANCIAL ALGEBRA will help your students achieve success by offering an applications based learning approach incorporating Algebra I, Algebra II, and Geometry topics. Authors Gerver and Sgroi have spent more than 25 years working with students of all ability levels and they have found the most success when connecting math to the real world. FINANCIAL ALGEBRA encourages students

to be actively involved in applying mathematical ideas to their everyday lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

If time could be measured in moments how many moments would we say really made a change in our lives. What happens when we wait to long to tell someone that we see them, admire them, and think their the missing piece in your life's puzzle. It took over a decade of desire before the first letter was ever written expressing the love he shared for her. What happens when an affair goes beyond the realm of physical attraction, and the emotional aspect takes over? Journey into the world of love, desire, and internal conflict as page after page reveals the passion and love that's possible when two people believe! Over a decade of desire, attraction, and fantasy turned into a love that could rival the greatest love story ever told. Some things may make you laugh, something might make you cry, other things may make you say "wow" but its all true every last word of it.
