Growing Up with God is the story of Maria and Lucas, two best friends who are on the journey of discovering themselves in the very normal, but also epic journey of hearing from God's heart. Maria has a life-changing moment at Summer Camp when she hears from God for the first time. He tells her something beyond belief, that she is going to be an actor! And not in 20 years as an adult, she can pursue her acting career now! The problem is, with every step, something seems to stand in her way. Lucas is a boy with a one-track mind: Soccer is life. The only thing more important than that is his relationship with God. Lucas is learning to listen to God's heart, even if that means befriending the weird new kid in school. Maria and Lucas find themselves on a true adventure that causes them to grow in their connection to God, each other, and make new friends along the way. It's a journey of doubt and frustration followed by joy in the very real pursuit of learning what it is to walk in relationship with Jesus. From Shawn Bolz, author of Translating God, comes an emotionally intelligent and spiritually relevant story that equips youth of all ages to tap into God's heart and hear His voice in their lives. Shawn has taken his gift of teaching on the prophetic and presents it in a way that children of all ages can experience how God is not limited by our age. When He speaks, everyone gets to hear Him and see powerful and wonderful

things happen through their faith. This book was created to work alongside the Growing Up with God Workbook, which can be used by individuals or Sunday school groups.

The Growing up with Grammar series and its adjunct, the Primary Grammar Dictionary, are at the cutting edge of modern practice in the teaching of English grammar in the primary school. The four student books cover the development of necessary grammatical knowledge, from the early years to the end of the junior school in a practical and readily accessible form. The grammar is taught within the context of use, across a spectrum of literary and factual text types, and insights on modern grammar beyond the sentence are included. The series has been carefully researched and is written by one of the most published authors in the field of primary school English in Australia.

Translating God serves as an inspirational guide book that puts God's great love back into prophetic ministry as a primary goal full of real life stories that articulate the culture of love behind God's heart for the prophetic. So much of the prophetic ministry is esoteric and a free for all in which people throw down the God card on anything they "feel," but this book brings balance without taking away the desire to see the powerful nature of God displayed. On top of that, it's biblically based and is supported by scripture throughout each story, driving home the book's message of activating the ability to hear God's voice for each reader. Through a thought-provoking prophetic ministry philosophy and Shawn's glorious successes and very real failures, you will be inspired and equipped to: learn how to hear God for yourself and others, grow through simple focused steps, take great risks, stay accountable, love people well, grow in intimacy with the Lord. As an internationally known prophetic voice who has ministered to thousands--from political leaders to those on the streets--Shawn shares everything he has learned about the prophetic in a way that is totally unique and refreshing. Shawn aims for the higher goal of loving people relationally, not just pursuing the gift or information, and he activates you to do the same. Start to reshape the world around you with God's love today.
