Celebrating the fiftieth anniversary of Vince Lombardi's first season in Green Bay, the author chronicles the coach's first year as head coach with the franchise he would reinvent and etch forever in football history, in a book based on interviews and thorough research.

Good Practice in Safeguarding Children considers how front-line professionals can keep the best interests of the child at the heart of their work when statutory guidance, the way agencies are integrated and the delivery of services are changing. Liz Hughes and Hilary Owen have drawn together contributors' experiences of working with safeguarding children on a broad range of issues, including neglect, trafficked children, parents with learning difficulties and child protection supervision. The contributors discuss current dilemmas in safeguarding children work and provide models of good practice, including case scenarios and exercises. This book explores how changes in the system offer an opportunity to enhance the quality of service provision, to achieve better outcomes for children and their families. This book is a must-read book for all front-line practitioners involved in safeguarding children, including social workers, child and adolescent mental health practitioners, police officers, healthcare professionals, probation workers and teachers. It is also suitable for undergraduate, post-graduate and post-qualifying students.

This paper reviews economic developments in Suriname during 1994–96. In 1995, there was a major turnaround in Suriname ' s economic and financial situation following the expansionary fiscal and monetary policies pursued in the first half of the 1990s and the political and economic disruptions of the 1980s. The marked improvement was owing to the restoration of financial discipline, a

The Great Match Race is a captivating account of America's first sports spectacle, a horse race that pitted North against South in three grueling heats. On a bright afternoon in May 1823, an unprecedented sixty thousand people showed up to watch two horses run the equivalent of nine Kentucky Derbys in a few hours' time. Eclipse was the majestic champion representing the North, and Henry, an equine arriviste, was the pride of the South. Their match race would come to represent a watershed moment in American history, crystallizing the differences that so fundamentally divided the country. The renowned sportswriter John Eisenberg captures all the pulse-pounding drama and behind-the-scenes tensions in a page-turning mix of history, horse

Paranormal romance is a supernatural force to be reckoned with. Although packed with a menagerie of werewolves, shapeshifters and assorted demons, its undisputed king is none other than our favourite centuries-old bloodsucker - the vampire. We're now living in a post-Buffy world of dark urban fantasy à la Laurell K. Hamilton's Anita Blake, Sherrilyn Kenyon's irresistible Dark Hunters and the blood-lusting soul mates of Christine Feehan. But it doesn't stop there. This Mammoth collection opens a vein to reveal the mind-boggling scope of the supercharged phenomenon created when vampires met romance. Let the biggest and brightest names in the paranormal romance business take you hot on the haemoglobin trail of the sexiest creatures of the night. Witness the bewildering array of complex vampire codes of conduct, dark ritual and dating practices, as they chat up the locals and engage in the most erotic encounters you will sink your teeth into this side of un-Death. These ain't your mother's vampires!
