grievous angel an intimate biography of gram parsons

Grievous Angel is the second and final solo studio album by Gram Parsons, compiled from summer 1973 sessions and released four months after his death from a morphine and alcohol overdose in September 1973. Prominently featuring a young Emmylou Harris, Grievous Angel received great critical acclaim upon release but failed to find commercial success, a fate shared with Parsons' previous efforts solo and with The Flying Burrito Brothers. Grievous Angel peaked at number 195 on the Billboard ...

Grievous Angel - Wikipedia

According to Fisher in the 2005 biography Grievous Angel: An Intimate Biography of Gram Parsons, the amount of morphine consumed by Parsons would be lethal to three regular users; thus, he had likely overestimated his tolerance in light of his diminished intake despite his extensive experience with opiates.

Read Online Grievous Angel An Intimate Biography Of Gram Parsons

that explores his lasting influence on music today. Original.

Gram Parsons lived hard and died young, and left behind a musical legacy that has influenced generations of rock and country legends. Ben Fong-Torres's moving account of his story--from his poor-little-rich-kid childhood; through his seminal time with the Byrds and his own bands, the Flying Burrito Brothers and the Fallen Angels; to days and nights spent with the likes of Mick Jagger, Keith Richards, and Emmylou Harris--is a classic of rock biography. This newly expanded edition updates the text and discograph, adds rare new photographs, and concludes with an intriguing epilogue that answers some lingering questions about Gram's untimely death--and raised a few more.

Offering a unique glimpse into the Gram Parsons legend from his bandmate in The International Submarine Band.

"Hot Burritos is a hard-hitting insider account of the brief but influential career of The Flying Burrito Brothers, as told to writer John Einarson by founder member Chris Hillman and other band-members and associates." "Speaking candidly for the first time, Hillman shatters countless myths surrounding this legendary band and offers a uniquely intimate portrait of his band-mate, the doomed cult hero Gram Parsons. He tells of the Hillman-Parsons creative partnership; the notorious 'train trip' tour of 1969; the ill-fated Altamont festival; the discovery of Emmylou Harris; the introduction of college crowds to bluegrass; and the group's enduring legacy. Here, at last, is the true story of The Flying Burrito Brothers."--BOOK JACKET.

Modern living isn't easy. It often seems to require some know-how our parents didn't pass on, or a special tool. Happily, Kaufmann Mercantile has both, and in this comprehensive field guide, they share their expertise on a huge range of topics, from frying an egg, tying a tie, or brewing coffee to things the inner utilitarian in all of us aspires to do, like splitting wood, building a fire, growing our own food, or making our own soap. Fifty how-tos are organized into five sections: Kitchen, Outdoors, Home, Garden, and Grooming. Written in clear detail and extensively illustrated, The Kaufmann Mercantile Guide teaches us what we ought to know how to do, as well as what we'd like to. Supplemental sidebars feature the best tool for the job, whether a dibber for planting, the best rawhideand- ash snowshoes, or flammable smoking bags for making authentic BBQ. This book is a must-have reference tool for living well in the twenty-first century.

(Piano/Vocal/Guitar Artist Songbook). Ranked among the "100 Greatest Artists of All Time" by Rolling Stone , this legendary country-rock guitarist played with The Byrds and The Flying Burrito Brothers, among others. 14 songs from Parsons' tragically short career are included here: Blue Eyes * Brass Buttons * Christine's Tune * Drug Store Truck Drivin' Man * Hickory Wind * In My Hour of Darkness * 100 Years from Now * Return of the Grievous Angel * A Song for You * more.

A view of the music and life of Gram Parsons and his influence on country rock.

This compelling portrait of Gram Parsons superbly evokes the tumultuous musical era that he worked in, his personal mystique and, above all, the magic of his music - and is the only Gram biography to adequately explain why the legend lives on. This is a new edition - including a new epilogue from the author - of a work that is rightly regarded as a classic of its kind. Blessed with fabulous riches, charisma, good looks, a wealth of music business contacts and a unique songwriting gift, Gram Parsons still somehow ended his life overdosing in a motel, his charred remains scattered in the desert and his music virtually unknown. However, nearly 50 years on from his untimely demise, the man, the myth and the music endure. Ben Fong-Torres's Hickory Wind is the landmark biography of perhaps the greatest enigma in American music, combining meticulous research, perceptive criticism and key testimony from Gram's contemporaries - including Chris Hillman, Emmylou Harris and Keith Richards.

This passionate and monumental biography reassesses the life and legacy of one of the most significant cultural figures of the twentieth century Unevenly respected, easily hated, almost always suspected of being inferior to his reputation, Jean Cocteau has often been thought of as a jack-of-all-trades, master of none. In this landmark biography, Claude Arnaud thoroughly contests this characterization, as he celebrates Cocteau's "fragile genius—a combination almost unlivable in art" but in his case so fertile. Arnaud narrates the life of this legendary French novelist, poet, playwright, director, filmmaker, and designer who, as a young man, pretended to be a sort of a god, but who died as a humble and exhausted craftsman. His moving and compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights, including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.
