### ~~Hacking Your Mind | Hacking Your Mind | Programs | PBS SoCal~~

Mindfulness is used here as a mind hacking tool to interrupt the autopilot response we have to daily challenges. And we can do that by creating a gap between the watcher and the mind. The idea is that you become the watcher and put space between yourself and your conscious mind, which is being fed information by your subconscious mind. It really is quite simple. Next time you are faced with a challenging circumstance that causes you emotional hardship, simply recognize the response you are ...
