In a book the San Francisco Chronicle called "unclassifiably wise" and a "masterpiece," noted Harper's essayist Garret Keizer explores the paradox that we are human only by helping others- and all too human when we try to help. It is the primal cry, the first word in a want ad, the last word on the tool bar of a computer screen.

Help: The Original Human Dilemma: Keizer, Garret ...

The author explores the human urge to help in all its heartbreaking, paradoxical complexity. Unflinching in his vision but always humane and compassionate (and even funny at moments), this is a fascinating guided tour of twists and turns through our often-tangled motives, our cherished ideals and the difficult realities of our individual lives.
