From movies to comics to graphic novels, monsters and their ilk tap into the terror that lurks in the darkest regions of the human collective unconscious. Enduringly popular characters, from vampires to zombies, provide an exciting challenge and appeal to comics and animation artists. How to Draw Chiller Monsters, Werewolves, Vampires and Zombies features the artwork of comic-book artist and Hollywood monster designer Kerry Gammill, Gene Colan as well as Neal Adams, Jim Steranko, Jack Davis, David Hartman, Frank Frazetta, Basil Gogos, and Wally Wood.

A guide to drawing horror comics provides a brief history of the genre, from EC Comics to Vertigo, and offers detailed, step-by-step instructions for drawing such creatures as werewolves, vampires, and swamp monsters.

After a noteworthy career with "Superman", "Indiana Jones" and "Deadly Foes of Spiderman", the work of well-known, veteran, comic-book artist Kerry Gammill mysteriously disappeared from the pages of "Superman" and "X-Men". This volume reveals the reason for Gammill's exodus - to fulfil a life-long desire to work on monster films. He has been working as a conceptual artist on film and television projects which include "Stephen King's Storm of the Century" TV mini-series, "Virus" (1999), "Species II" (1998), "Can of Worms" (TV 1999), Dean Koontz's "Phantoms" (1998), "Stargate SG-1" TV series, and "The Outer Limits" TV series. In this volume Gammill takes us behind the scenes on the very important but little-known world of film conceptual art with a focus on designing creatures for action films. This is not just a "how to" book, but also Gammill's autobiographic career retrospective, filled with art and anecdotes about his years at Marvel, DC and Hollywood.

Every technique that artists need to draw or paint a terrifying painted purgatory is presented in this how-to manual. Author Keith Thompson instructs on the creation of zombies, ghouls, assassins from alien planets, and many other hideous specters.

Vanguard's original Sketchbook series continues with a follow-up to last year's best-selling hit, Frazetta Sketchbook, Vol. I, with more classic and unseen material by the acclaimed, revolutionary Master of the Fantastic Art, including rare and classic Conan, Tarzan, EC Comics, Death Dealer material and more. Vanguard is the exclusive, authorized publisher of Frank Frazetta books. Each edition (HC, PB) features a unique cover.

Vanguard follows last year's hit Fantastic Paintings of Frazetta book by J. David Spurlock with definitive reference on Frazetta Book Cover Art. Frazetta is the revolutionary fantasy artist of Conan, King Kong, Death Dealer, Edgar Rice Burroughs, Lord of The Rings and more, whose original art sells for millions. This new 2022 Frazetta book follows last year's hit, Fantastic Paintings of Frazetta and is similar to Vanguard's earlier Frazetta Definitive Reference book. But, it is superior in at least one regard. Instead of cataloging Frazetta items with mostly smaller illustrations, this new book is devoted solely to the artist's single, most beloved venue, Book Cover Art. By focusing on this specific area, the book boasts room enough to feature every single one of Frazetta's famous and highly collectable illustrated book covers, beautifully and authentically reproduced at a larger size on a page to itself. All are presented in chronological order which, gives readers a unique ability to follow Frazetta's evolution as an artist. Accompanying text includes commentary, original publication titles, publishers, dates, and rare quotes from the artist himself. For this Definitive Reference to feature the Complete Collection of Frazetta's decades of book cover illustrations, in a single beautifully produced volume, is a dream come true for Frazetta fans, art and book collectors and historians alike.

Discover the secrets to drawing, painting, and illustrating the undead in How to Draw Zombies. From the pages of great literature to Hollywood movies, zombies are appearing everywhere. Now aspiring artists can bring them to life, so to speak, by learning to render them with pencil, paint, and digital image-editing software. How to Draw Zombies gets into all the gory details, such as creating bloodshot eyes, forming robust brows, and imitating the look of pale, dead flesh. The book also features 15 step-by-step projects that guide artists from initial sketches to finished works of art, including a Voodoo Queen, a zombie climbing out of a grave, a zombie out for a midnight snack, a gothic zombie, and even a zombie romance.

Discover the world's greatest heroic fantasy artist, Frank Frazetta in the landmark collection, Fantastic Paintings of Frazetta. The New York Times said, "Frazetta helped define fantasy heroes like Conan, Tarzan and John Carter of Mars with signature images of strikingly fierce, hard-bodied heroes and bosomy, callipygian damsels." Frazetta took the sex and violence of the pulp fiction of his youth and added even more action, fantasy and potency, but rendered with a panache seldom seen outside of major works of Fine Art. Despite his fantastic subject matter, the quality of Frazetta's work has not only drawn comparisons to the most brilliant of illustrators, Maxfield Parrish, Frederic Remington, Norman Rockwell, N.C. Wyeth but, even to the most brilliant of fine artists including Rembrandt and Michelangelo and, major Frazetta works sell for millions of dollars. This innovator's work has inspired generations of artists, movies including the Conan films, John Carter of Mars, the Lord of the Rings trilogy, Robert Rodriguez' films including From Dusk Till Dawn, Ralph Bakshi films, the epic, Game of Thrones series, Tim Burton's Sleepy Hollow, Disney's animated Tarzan films, Francis Ford Coppola's Apocalypse Now and George Lucas' Star Wars. Forbes magazine said, "Which artist helped make Arnold governor? Frank Frazetta, the Rembrandt of barbarians." J. David Spurlock started crafting this book by reviving the original million-selling 1970s mass market art book, Fantastic Art of Frank Frazetta. But, he expanded and revised to include twice as many images and, presents them at a much larger coffee-table book size. The collection is brimming with classic and rare works including barbarians, beasts, and beauties. Game of Thrones creator George R. R. Martin said, "Frazetta's covers of the Conan paperback collections became the definitive picture of the character... still is." Schwarzenegger said, "When I looked at Frazetta's paintings, I tell you, it was intimidating." Game of Thrones, Conan and Aquaman film star Jason Momoa said, "I am a huge Frank Frazetta fan. That's what I wanted to bring to life." See the revolutionary art that helped inspire Schwarzenegger, Momoa, the Lord of the Rings and Game of Thrones: FRAZETTA!
