Each of the fourteen magnificent paintings in this book contains a different shape for you to find. Some are easy to spot, and others are more challenging. But take a closer look -- after you think you've found them all, there are even more shapes to look at and discover. I Spy Shapes in Art features a remarkable variety of artists from around the world, including Georgia O'Keeffe, Henri Matisse, and M.C. Escher. This picture book pairs a classic game with timeless art, making it the perfect way to introduce fine art to children.

"I spy with my little eye something beginning with A..." Even the very youngest art lovers can spy out the apple in Magritte's Son of Man through the zigzags in de Geest's Portrait of a Child. Interact with twenty-six of the world's greatest paintings in this educational, entertaining, and beautiful pairing of a classic game with timeless art.

Uses the subjects of well-known paintings to introduce the numbers from one to twenty.

I spy with my little eye . . . a yellow circle, an orange orange, two blue eyes staring right back at me! The whole family will delight in exploring fine art through these fourteen glorious paintings, ranging from ancient to contemporary, their artists hailing from all around the globe. Each time you look at one of the colorful canvases in this book--or in a museum--you're sure to discover another delightful and surprising detail. What a wonderful way to foster a love of art in the youngest of children and to instill an appreciation for close observation and attention to detail. What do you spy?

Presents objects with the shape of a heart, a triangle, a square and other shapes through paintings by such artists as Magritte, Escher, and Matisse.

Shapes invite babies and young children to identify different shapes in bold, graphic illustrations featuring the Baby Einstein characters. Playful poems will inspire children to seek out shapes in the world around them.

Based on the game of I Spy, this photographic peephole book provides an exciting way for children to learn their shapes. Peep through the hole at the mystery shape, guess the answer and turn the page to reveal the surprise. Eye Spy Shapes features a host of familiar objects, stunningly photographed. Every spread contains irresistible pictures of children busy playing, indoors and out.

An I spy animals book set in famous art works.

Learn about fourteen different artists and their different styles.
