Updated and expanded from the original workbook (downloaded by nearly 100,000 people), this critical text helps you take the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources, giving you the language to understand racism, and to ...

The Ecco! series treats student motivation, engagement and enjoyment as vital for successful learning. Teachers will also value the imaginative approaches, cultural authenticity, updated educational principles, logical sequencing, ease of use and practical support of the Ecco! series. The Ecco! series is devised for the first four years of secondary school. Ecco! uno is intended for three semesters' to two years' work. Ecco! due is more advanced and is intended for two years' work.

The write-in Activity Books cater for a variety of learning styles, reinforcing and enriching key skills. Updated engaging activities offer even more differentiated learning opportunities.

The Workbook contains a wide range of reinforcing activities designed to consolidate and extend language structures in the Student Book chapters. The DVD contains short film clips that use the language and grammar-focus from the units of the book. The film clips can be viewed with or without subtitles, and are accompanied by activities on the website.

There is more to learning Italian than memorizing phrases. Of course, an introductory Italian class must include that, but it needs more. How many students never make it to the second year? As an Italian teacher, you have only one chance to engage your students in the discovery of the language, the people, the land, and the culture. Chiarissimo Uno is here to help. Teacher EditionThe Chiarissimo Uno Teacher Edition demonstrates how to present vocabulary and grammar in a practical and productive manner while making classes more interactive. Strategies, suggestions, and techniques facilitate creating daily lesson plans centered around the three modes of communication. Answers are embedded directly into the exercises for easy accessibility.

The author describes his twenty month ordeal in the Nazi death camp.

Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of the earth can be controlled—a point located in Paris, France, at Foucault's Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth.Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.

This new edition of the Modern Italian Grammar is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition, this text includes clearer explanations, as well as a greater emphasis on areas of particular difficulty for learners of Italian. Divided into two sections, the book covers: traditional grammatical categories such as word order, nouns, verbs and adjectives language functions and notions such as giving and seeking information, describing processes and results, and expressing likes, dislikes and preferences. This is the ideal reference grammar for learners of Italian at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided. This Grammar is complemented by the Modern Italian Grammar Workbook Second Edition which features related exercises and activities.

A literary phenomenon in Italy, this European best-seller was voted the best Italian novel of the decade in a public survey. Its success has gone way beyond Italy, having been translated into Spanish, French, Japanese and 3 other languages. This epic historical novel about World War II and after, written from the author's own personal experiences as an Italian Freedom Fighter, is a profoundly moving account of the war, those who fought in it on both sides, and the effects the war had on families in the author's hometown in northern Italy. On a wider scale, it is a faithful witness to the actual events of the war-including the historic personages who appear, the Russian campaign, the Nazi barbarism, the Communist gulag, the North Italian resistance, and beyond to the political life in the two decades after the war. This world, filled with powerful personalities, drama and clashing armies, bathes in the complex light of the truth. A truly great historical novel with its epic scope, what makes this a masterpiece is the underlying spiritual dimensions of the protagonist, his family and friends, which illuminates the ongoing tragedy of the war and its aftermath. In the end, it is a story of faith and hope in a world reduced to barbarism and cruelty.

Let's Learn Vietnamese Kit is an introductory Vietnamese language learning tool especially designed to help children from preschool through early elementary level acquire basic words, phrases, and sentences in Vietnamese in a fun and easy way. The Vietnamese flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place. The set contains a total of 64 words organized into thematic categories, including: My Family Colors Animals Food & Drink My Body Clothes Environment All of the Vietnamese words are illustrated—the pictures serve as effective visual aids to help children learn and remember each word's meaning. Words often reflect cultural objects and items and can be studied in any order. Learners may focus on one theme at a time or mix them up for a little more variety. Also included in this kit are audio files which provide native pronunciation of the words, and sample sentences for practice—sentences that children would use in everyday life. Songs are also included on the free audio download. Finally, the ebook includes a learning guide for teachers and/or parents with tips, activities and more! This ebook learning tool contains the following: 64 Flash Cards that get children talking—about family members, colors, animals and numbers Audio download provides native pronunciation of the Vietnamese words, and sample sentences for practice Learning Guide for Parents and Teachers (32 pages) to explain how to use the cards for most effective learning, and includes song lyrics, activities and games to play with your kids

First published in 1891, Pellegrino Artusi's La scienza in cucina e l'arte di mangiar bene has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.
