Focusing on beginning serger users, this dynamic guide offers instructions for learning about sewing sergers. Beginning with explanations on stitches, tension settings, the importance of thread, and the ease of serger hems, seams, corners, and curves, this fun pattern book contains more than 50 easy-to-make projects. Chapters cover a wide range of projects, including clothes for babies and adults, decorations for around the house, and unique gift ideas.

Do it yourself Serger machine repair!!! Sound like a far fetched idea? Not so, according to Reuben O. Doyle, a sewing machine repairman of 25 years and author of "Serger Repair for the Home Sewer." "In over 75% of the repair jobs I get, the home sewer/crafter could easily have handled the job if only they'd known what to look for. In about 25% of the repair jobs I go out on, the problem is such a minor one that anyone with a checklist of what to look for could fix it in seconds, but I have to charge them the same service fee as on any repair job. Of course any broken parts need to be taken to an authorized service repairman for repair or replacement, but those types of service calls are by far the minority!" Written in step by step instructional style, this book takes the serger machine owner through problem/solution scenarios allowing them to fix problems that can cause a lot of frustration for those who sew. Whether you have an older model machine, or one of the newer models, this book will help keep your general repair costs to a minimum. The home sewer can now just look up the problem in this handy guide book and follow the instructions on how to fix it. YES, it's now as easy to fix your serger machine as picking up a book!

A guide to using a sewing machine to create different kinds of details and embellishments.

An all-level skill book to make sure you get the most out of your serging machine. Photographs and step-by-step instructions take you through the essential techniques, showing you how to set up your machine, how to adjust settings to get best results on a range of different fabrics, and how to edge your fabrics with perfect results.

Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of them lay great stress on "inherent pucker" (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly inform us about newer methods to tackle the problem.

THE #1 KINDLE BESTSELLER. 'A beautiful, unconventional, uplifting love story' Paige Toon on One Step Closer To You. Perfect for fans of The Bucket List to Mend a Broken Heart. What do you do if you're 34, single and recovering from being jilted two weeks before your wedding day? This is Gilly Brown's dilemma. While friends are marrying and having children Gilly finds herself alone in London and holding on to her fractured family with their tragic past. At least she has her dog Ruskin and her dog-walking friends. But it's time to meet new people, Gilly gets a Monday to Friday lodger: handsome reality television producer Jack Baker. Gilly falls for Jack's charm and is transported into an exciting social whirlwind of parties, dining out and glamour. Guy, the newest recruit to her dog-walking group, isn't quite so convinced about Jack's intentions. As Guy watches them grow closer, his suspicions of Jack and his feelings for Gilly deepen. Is Jack so perfect after all... and what exactly does he get up to at the weekends?
