main stage... serves at once as introduction and original contribution to the debates structuring the field. Erudite but never obscure, effectively argued but not polemical, *The Woman at the Keyhole* should prove to be a valuable text for courses on women and cinema." -- *The Independent*

When we imagine a "woman" and a "keyhole," it is usually a woman on the other side of the keyhole, as the proverbial object of the look, that comes to mind. In this work the author is not necessarily reversing the conventional image, but rather asking what happens when women are situated on both sides of the keyhole. In all of the films discussed, the threshold between subject and object, between inside and outside, between virtually all opposing pairs, is a central figure for the reinvention of cinematic narrative.

Trump's Unfinished Business offers a prophetic template to change the face of politics & save the nation from moral rot & Civil War. In one book, you will find new applications of God's commands that can be used to break up the Tech Giants' monopoly, create a Digital Bill of Rights, reform Family Law, protect children, enshrine true equality, educate our youth, and deal sensibly with Climate Change. "We need pastors and preachers to read this book "Trump's Unfinished Business" and apply the Law of God correctly, and preach it again to America & the world." JULIE DIEZ Paralegal "The vision contained in Steve Cioccolanti's book Trump's Unfinished Business is far-sighted, wide-reaching & convicting...Cioccolanti is offering the Body of Christ the clearest path to employing the Biblical template to unite us as a nation & avoid civil war." LORILYN ROBERTS Award-winning Author "Let me say Cioccolanti's "Trump's Unfinished Business" is truly excellent. "In this book, Steve Cioccolanti exposes what has gone wrong, and he recommends solid ideas on how to set them right... by going back to what is taught in the Bible."

RICH MARSH Ex-Navy, Career

Consultant "Cioccolanti's book is clearly visionary...For too long, the Bible has been sidelined in education due to an erroneous application of the principle of 'separation of church and state.'" DR. JOHN MCELROY

Director of Southern Cross Association of Churches "Steve Cioccolanti has taken up a subject which I believe is a first... His writing is very thought-provoking, creative and visionary... I would imagine the laws in this book will be very close to the ones Yeshua will set up for the world when He comes to

SHIRA SORKO-RAM Pioneer of the Jewish Messianic movement in Israel since 1967 "Trump's Unfinished Business will serve as a template for all leaders whether they are in the US, Australia or Korea. I would like to see it made available to voters before major elections. I am really amazed by Steve Cioccolanti's insights into the American cultural war. His coverage of many subjects is very deep. I find the techniques that American leftists use to distort facts and the truth are also used here in South Korea... This book is a great opportunity to problem solvers to learn how God's principles work in human society." ASSOC. PROF.
