Malintzin was the indigenous woman who translated for Hernando Cortés in his dealings with the Aztec emperor Moctezuma in the days of 1519 to 1521. "Malintzin," at least, was what the Indians called her. The Spanish called her doña Marina, and she has become known to posterity as La Malinche. As Malinche, she has long been regarded as a traitor to her people, a dangerously sexy, scheming woman who gave Cortés whatever he wanted out of her own self-interest.

Often, Malintzin is depicted as victim or villain, rather than as an astute, resourceful woman making reasoned choices in sixteenth-century Mexico's complex and uncertain political landscape. Townshend focuses on reconstructing the parameters of the world in which Malintzin was raised, the likely trajectory of her life before she met Cortes, and the ways in which other people, indigenous and Spanish, responded to her.
