MATISSE: THE KING OF COLOR BY (Author)Anholt, Laurence ...

Get this from a library! Matisse : the king of color. [Laurence Anholt] -- Tells the story of the artist Matisse designing the Chapelle du Rosaire.

Matisse : the king of color (Book, 2007) [WorldCat.org]

Matisse: the modern master of colour & line. The vibrancy and joyful colour of Matisse's pictures epitomise the French 'joie de vivre', making him one of the best loved masters of modern art. The fluid lines of Matisse's drawings reflect his classical art training, but in his youth, the use of expressive colour marked him as a rebel.

Revisits how Henri Matisse used his influence as an artist to help a poor nunnery in Vence, France, raise money to build their own chapel with the help of a nursing nun named Monique who once aided the ill Matisse.

Tells the story of the artist Matisse designing the Chapelle du Rosaire.

An inspiring portrait of one of the world's most loved artists There was once a boy named Henri, whose dreams were full of color even though his hometown was dreary and gray. His parents expected him to learn a trade when he grew up, but being a law clerk bored him, and he continued to dream of a colorful, exciting life, and of being noticed. Then Henri started painting . . . and kept painting and dreaming and working at his craft until he'd become one of the most admired and famous artists in the world. This lyrical, visually rich picture book is more than an excellent biography; at its core, this remarkable book is an encouragement to never give up on your dreams.

Step into the colorful world of Henri Matisse and his magnificent paper cutouts in this biography by acclaimed picture book creator Jeanette Winter. In a small weaving town in France, a young boy named Henri-Emile Matisse drew pictures everywhere, and when he grew up, he moved to Paris and became a famous artist who created paintings that were adored around the world. But late in life a serious illness confined him to a wheelchair, and amazingly, it was from there that he created among his most beloved works--enormous and breathtaking paper cutouts. Based on the life of Henri Matisse, this moving and inspirational picture book biography includes a note from the author, dynamic quotes from Matisse himself, and an illuminating look at a little-known part of a great artist's creative process.

Describes how the artist Henri Matisse began cutting shapes out of paper and posting them on his walls, and how this simple pastime developed into a series of remarkable works of art, and presents fold-out reproductions of eight examples.

If you were a boy named Henri Matisse who lived in a dreary town in northern France, what would your life be like? Would it be full of color and art? Full of lines and dancing figures? Find out in this beautiful, unusual picture book about one of the world's most famous and influential artists by acclaimed author and Newbery Medal-winning Patricia MacLachlan and innovative illustrator Hadley Hooper. A Neal Porter Book

Henri Matisse s massive and joyous cutout work, The Parakeet and the Mermaid, is the basis for this delightful children s book about the unlikely friendship between a mermaid and a parakeet. Henri Matisse once said, What I dream of is an art of balance, of purity and serenity, devoid of troubling or depressing subject matter. It s no wonder his works are loved by children everywhere. In this charming book, Vanessa Hie and Veronique Massenet create a world based on Matisse s vision, in which a mermaid is thrust out of the sea by a massive storm. Stranded in a tree, not knowing how she can return to her home without legs, she meets a parakeet who is so moved by her plight he finds a way to help her. Vanessa Hie s gorgeous, deeply hued illustrations incorporate the shapes and colors found in Matisse s original masterpiece, which is reproduced at the end of the book. Massenet s simple but profound story of bravery and friendship is a delight to read. Together, the words and pictures tell a timeless story, while introducing young people to Matisse s artistry."

These three stories celebrate the eye even as they reveal its unexpected proximity to the heart. For if each of A.S. Byatt's narratives is in some way inspired by a painting of Henri Matisse, each is also about the intimate connection between seeing and feeling--about the ways in which a glance we meant to be casual may suddenly call forth the deepest reserves of our being. Beautifully written, intensely observed, The Matisse Stories is fiction of spellbinding authority. "Full of delight and humor...The Matisse Stories is studded with brilliantly apt images and a fine sense for subtleties of conversation and emotion."--San Francisco Chronicle

Fine artists are paired with early learning concepts in this groundbreaking series for the toddler set. Henri Matisse's abstract cut-outs are used to teach colors in this polished read-aloud board book. Blue & Other Colors takes children through Matisse's color palette, one artwork per page, beginning with blue and returning to it as a familiar refrain throughout. The variance of shapes, depth, and scale will keep readers engaged, while the text enriches the reading experience with relatable and humorous commentary. Readers will not only learn their colors, but also grow familiar with fine art in this relevant and relatable first title in this series of concept books featuring the most innovative and influential artists. Includes a read-aloud "about the artist" at the end. Created for ages 1-3 years

Presents the life and work of Henri Matisse in the form of a child's school report, where Keesia learns that over his long career, Matisse made paintings, sculpture, books, costumes, and cut-outs. Simultaneous.
