An essential masterwork from Chinese literary giant Lu Yao--winner of the Mao Dun Literature Prize--available for the first time in English. Lu Yao published only two novels before his untimely death--but their extraordinary influence catapulted the author to the top tier of Chinese contemporary fiction, establishing him as one of the most widely read and respected figures in Chinese literature. In this first-ever translation of Lu Yao's Life, we meet Gao Jialin, a stubborn, idealistic, and ambitious young man from a small country village whose life is upended when corrupt local politics cost him his beloved job as a schoolteacher, prompting him to reject rural life and try to make it in the big city. Against the vivid, gritty backdrop of 1980s China, Lu Yao traces the proud and passionate Gao Jialin's difficult path to professional, romantic, and personal fulfillment--or at least hard-won acceptance. With the emotional acuity and narrative mastery that secured his reputation as one of China's great novelists, Lu Yao paints a vivid, emotional, and unsparing portrait of contemporary Chinese life, seen through the eyes of a working-class man who refuses to be broken.

Discover the art of kogin, a style of traditional Japanese sashiko embroidery with modern appeal. Historically, kogin was used as a pattern darning technique to reinforce threadbare fabric and add warmth to the clothing worn by farmers in the villages of northern Japan. With dozens of beautiful and simple geometric patterns, kogin embroidery offers fresh inspiration and authentic technique to proponents of the decorative mending movement. Colorful photos offer step-by-step instruction for learning this simple counted thread embroidery technique. Beginners will discover how to prepare the thread and fabric, how to read kogin charts, and how to make the basic straight stitches that comprise kogin motifs. Once you've mastered the basics, try your hand at one of the 25 adorable and easy projects included in the book. Featuring bright and modern color schemes, these accessories are designed for contemporary life. You'll find and assortment of pretty brooches, barrettes and hair ties, pouches and coin purses, framed samplers, pincushions, and ornaments, plus potholders, coasters, and placemats for the home. Once you get started stitching, we guarantee you won't be able to stop!
