Through writing exercises, inspirational quotes, and simple tutorials, this guided journal for gardeners helps users transform terms like "living in the moment," "meditation," and "mindfulness" from mere buzzwords into helpful everyday practices that will help them de-stress, reconnect, and handle whatever challenges the day brings. Meditations for Gardeners provides the user with a series of simple journaling prompts designed to nurture a positive, calming framework to approach the day. Each of the writing prompts provides is grounded in nature and the garden, offering the user space to examine one's garden and one's self and to ponder some of the basic tenets of mindfulness. The journal can be completed at whatever pace the user prefers to work at (daily, weekly, etc) and features inspirational quotes sprinkled throughout, as well as introductory material on the practice of mindfulness and a list of resources for further reading.

From wallpaper and flooring to furniture and accessories, Christiane Lemieux explores the elements of resilient home design. In this beautiful, lavishly illustrated 400-page volume, she covers the traditions, tools, and major players in the home-goods industries so that homeowners learn how to identify the hallmarks of timeless, heirloom-quality pieces. Christiane and dozens of other home-design experts also offer advice on how to live well with these pieces. A visual timeline shows the history of artisan tile, a studio visit goes behind the scenes with the high-end wallpaper company de Gournay, and tastemakers' interiors dripping with style and luxury give timeless decorating ideas. The Finer Things is equal parts inspiration and practical classic.
