A Penguin Classic Written at a time of profound anxiety caused by the illness of his mother, Nobel Prize winner John Steinbeck draws on his memories of childhood in these stories about a boy who embodies both the rebellious spirit and the contradictory desire for acceptance of early adolescence. Unlike most coming-of-age stories, the cycle does not end with a hero "matured" by circumstances. As John Seelye writes in his introduction, reversing common interpretations, The Red Pony is imbued with a sense of loss. Jody's encounters with birth and death express a common theme in Steinbeck's fiction: They are parts of the ongoing process of life, "resolving" nothing. The Red Pony was central not only to Steinbeck's emergence as a major American novelist but to the shaping of a distinctly mid twentieth-century genre, opening up a new range of possibilities about the fictional presence of a child's world. This edition contains an introduction by John Seelye. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. Travels with Charley in Search of America is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—Travels with Charley is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing East of Eden with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of "getting my mental arm in shape to pitch a good game." Steinbeck's letters were written on the left-hand pages of a notebook in which the facing pages would be filled with the test of East of Eden. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.

"Surely his most interesting, plausibly his most memorable, and . . . arguably his best book" —The New York Times Book Review For John Steinbeck, who hated the telephone, letter-writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated; on marriage, women, and children; on the condition of the world; and on his progress in learning his craft. Opening with letters written during Steinbeck's early years in California, and closing with a 1968 note written in Sag Herbor, New York, Steinbeck: A Life in Letters reveals the inner thoughts and rough character of this American author as nothing else has and as nothing else ever will. "The reader will discover as much about the making of a writer and the creative process, as he will about Steinbeck. And that's a lot." —Los Angeles Herald-Examiner "A rewarding book of enduring interest, this becomes a major part of the Steinbeck canon." —The Wall Street Journal

John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.
