thousands of summaries of novels and anthologies. Carefully documented, A guide to Irish fiction presents details of the publication of Irish fiction in Ireland, England, and North America, as well as several other European countries. Written for literary scholars and students, this book constitutes an essential tool for historians, librarians and antiquarian booksellers.

insignificant—or indispensable? The importance of leadership and the impact of individual leaders has long been the subject of debate. Are they made by history, or do they make it? In *Indispensable*, Harvard Business School professor Gautam Mukunda offers an enticingly fresh look at how and when individual leaders really can make a difference. By identifying and analyzing the hidden patterns of their careers, and by exploring the systems that place these leaders in positions of power, *Indispensable* sheds new light on how we may be able to identify the best
