Personalize learning, one student at a time. Today, reaching every student can feel out of reach. With MyLab and Mastering, you can connect with students meaningfully, even from a distance.

This convenient Portable Version of Edwards/Wattenberg/Lineberry,Government in America: People, Politics, and Policyfeatures all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant“politics matters” themeandemphasizing public policythroughout,Government in Americailustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, andhelping overcome the biggest challenge instructors face in this course -- student apathytoward government.

With an emphasis on public policy, and through the use of its resonant “politics matters” theme, Government in America, Brief Ninth Edition, illustrates the impact that government has on the daily lives of each and every American, motivates students to become active participants in all aspects of our political system, and overcomes apathy toward American government. The Brief Ninth Edition contains all the information included in the comprehensive version, in a more compact form for ease of use.

"Discusses the make-up and function of the U.S. system of government. Its primary focus is on the modern political system in the United States. This focus centers on how the federal and state governments are constructed and the comparative political ideologies that influence how those governments operate"--Provided by publisher.

Guided by the belief that students must first understand how American government developed to fully understand the issues facing the United States in the 21st century, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

This critical thinking approach to American government asks students to evaluate the quality of democracy in America today within a unique framework that offers a holistic view of our system. The eighth edition of this best-selling text has been completely updated through the 2006 midterm elections. Continuing to offer its lively, critical thinking approach to the course,The Struggle for Democracyis organized around two themes: "Using the Democracy Standard" and "Using the Framework." The first theme, woven throughout the narrative of the entire book, asks students to evaluate the health and vitality of American democracy today against a "democratic ideal" that is carefully defined in the first chapter. The text's second theme, "Using the Framework," asks students to look at the structures underlying our political systemsuch as the economy, society, cultural values, technologyand examine how these structures affect, and are affected by, our political system.

This new edition of the number one book in American government continues to provide the most current and engaging introduction available for the course. Written with the belief that knowledge of the development of American government is integral to fully understand our current political system, "American Government: Continuity and Change" offers a strong historical perspective that highlights the evolution of government and engages students with examples relevant to their lives.

For courses in American government A result of time-tested scholarship,Government by the Peoplegives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students'needs as learners. Now in its twenty-second edition,Government by the Peoplecontinues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of theGovernment by the Peopleauthor team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition.

The New American Democracy, Fifth Edition, emphasizes the centrality of elections in American politics today-and examines our country's evolution from a pluralist democracy to a more populist one-helping you understand how both have profoundly changed the way our political system operates. New to the Fifth Edition. Complete up-to-date coverage and analysis of the following topics: Historic 2006 congressional campaigns and elections, Concerns about terrorism and the governmental steps to combat it, Complexities of immigration-legal and illegal, Latest developments in the area of campaign finance, Civil rights of Latinos, Asian Americans, and gays and lesbians.
