NorthStar is an integrated, four-level series with two powerful strands. One focuses on developing listening and speaking skills, whilst the other focuses on reading and writing. The parallel books are linked at each level by theme, grammar and vocabulary.

After following paths and signs determined by others, a young boy finally realizes that he must find his own individual way in life.

NorthStar, Fifth Edition is an integrated-skills English course that empowers adult and young adult English language learners to achieve their academic and personal goals. Current and thought-provoking topics promote language development and critical thinking skills. Building on the success of previous editions, this new fifth edition engages and motivates students with new and updated content. What is new in the fifth edition? * New and updated content with a new theme keeps students motivated. * The new design and imagery bring the activities to life. * Learning outcomes are created using the Global Scale of English (GSE) so students can see their progress more easily. * Every unit offers note-taking practice and writing skill development. * Scaffolded critical thinking activities are clearly marked to help students develop their academic skills. * Academic Word List words are highlighted to help students identify essential vocabulary. * New and updated activities in MyEnglishLab provide additional practice online. * ExamView Test Generator allows teachers to customize assessments. * Students can complete activities, listen to audio, and watch video on the go with the Pearson Practice English App.
