Panchatantra is perhaps the oldest collection of Indian fables still gaining strength and moving ahead. It is believed to have written around 200BC by the great Hindu Scholar Pandit Vishnu Sharma. Panchatantra means the five principles". It is a Nitishastra which means book of wise conduct in life. Panchatantra consists of five books: 1. Mitra Bhedha (The loss of friends); 2. Mitra Laabha (Gaining friends); 3. Kakolukiyam (Crows and owls); 4. Labdhap-ranasam (Loss of gains); and 5. Aparikshitakarakam (Ill-considered actions). The simple stories of Panchatantra have stood the test of time in the modern age of materialism, stressful living and individualism, and aim to guide the young readers on how to attain success in life by understanding human nature. Key Features: Written in simple and lucid language Each story is supplemented by a moral Word meaning for vocabulary building Practice exercise given for better understanding Panchatantra is commonly available in an abridged form for children. It is an ideal book worth going through many times over. Honestly speaking, it is of far more practical importance for elders to read this book since it is they who always come in contact with people having good, doubtful or bad intensions and motives. A must read for students of all age groups. #v&spublishers

The thoroughly Revised & Updated 2nd Edition of "Olympiad Champs Mathematics Class 6 with Past Olympiad Questions" is a complete preparatory book not only for Olympiad but also for Class 6 Mathematics. Ramayana is one of the most popular epics in the world, having been translated into various languages. It is a tale of Ram, the prince of Ayodhya, who was banished to the forest for 14 years. To honour his father's word, he agreed to be exiled without any murmur or rancour. In the forest, Ram, his wife Sita and his brother Lakshman met saints, new friends and strange foes. Each day brought new adventures. But their spartan, yet happy life was spoilt when Ravan of Lanka, the king of demons, abducted Sita. To rescue her, Ram enlisted the help of the vanar sena (monkey army) of Hanuman. In that

battle many heroes died and new ones had come alive. The book Ramayana Tales for Children is a compilation of 40 one-page stories for children. Language used is plain and simple. Each story unfolds the way original epic proceeds. Long details have been dispensed with while retaining the essence that children can easily grasp. The stories come with realistic caricature based illustrations to retain interest of young readers. In this vividly told vibrant version for children, the ancient epic unfolds many unpredictable twists and turns. The traditional ingredients are all there - adventure and excitement, love and war and an infinite number of stories within stories, as are the traditional characters - monkeys, who cross a sea to lay floating bridge and also carry on their finger life-giving herbs found only on a mountain, besides shape-changing demons and monsters of many varieties. The epic has been rendered traditional and contemporary by the freshness and vitality of the author J.M.Mehta and exuberant illustrations that retain the interest of children till the last.
