Peg Plunkett, Memoirs of a Whore by Historian Julie Peakman. Peg Plunkett was the first courtesan and brothel-keeper to write her memoirs - and she related her extraordinary life of sex and scandal in Georgian Ireland and London with gusto. Peg Plunkett: Memoirs of a Whore. Written by Julie Peakman. Review by Doug Kemp. In the 18 th century, "whore memoirs" became a popular literary phenomenon, when high-class courtesans would pen their autobiographies, full of titillating details of their hedonistic and depraved (as much of society considered it) activities. The Irishwoman Peg Plunkett (known professionally as Mrs Leeson) also wrote her memories in the 1790s.

Life. Margaret Plunkett was born in the Irish county of Westmeath around 1727. (Her date of birth is not accepted by all who have written about her: Francis Leeson believed she was born about 1736 and Julie Peakman, the author of Peg Plunkett: memoirs of a whore, prefers a birth date of about 1742.) She was one of eight of her mother's 22 children who survived childhood.

portrait of Peg Plunkett, artist unknown. Peg was born in Killough sometime between 1727 (gaged from her last memoir) and 1742 (from modern historian findings.) If you're thinking 'dear god this is a ridiculous piss take of a lady never revealing her age' then you're right! Peg was deliberately vague about when she was born. And not only that.

Despite its deliberately alluring title, Peg Plunkett: Memoirs of a Whore is not about sex (foot fetishism is about as graphic as it gets).

Of picking, washing and cleaning my pretty little toes, which he took great delight in, and in which pleasurable, innocent, and inoffensive pastime he as often spent hours; twas the greatest gratification to him on earth, nor did he (said she) indulge in any other in all the time we spent together, he never was even rude enough to give me a kiss. So emerged the first expose of foot fetishism in the eighteenth-century. Revelations and racy anecdotes about the lives of the rich and famous of Dublin and London abound within Peg Plunkett: Memoirs of a Whore. From a violent domestic background, Peg blitzed her way through balls and masquerades creating scandals and gossip wherever she went, leaving dukes, barristers and lieutenants stranded in her wake. She was the first madame ever to write her memoirs, thereby setting the template for the whore's memoir. She wrote not merely to reveal herself but to expose the shoddy behaviour of others and her account of her life. In Peg Plunkett: Memoirs of a Whore, Julie Peakman brings her subject and the world through which she moved to glorious, bawdy life.

Encompassing the long 18th century, Amatory Pleasures examines a broad and enticing variety of topics in the history of sexuality in Georgian times. It includes discussion of sexual perversion, criminal conversation, erotic gardens, gentlemen's homosocial societies, flagellation, pornography, writings of courtesans and the world of female friendship, revealing the secret or hidden meanings circulating between mainstream and covert activities of the 18th century. Julie Peakman draws connections between these pieces and situates them within current debates and examines how Georgian sexual activity was integrated from low life and high places, from brothels to palaces. Aimed at anyone interested in gender, history of sexuality, sex, literature and 18th-century history, Amatory Pleasures is an invaluable collection of the work of a key scholar in the field.

Witty, unbuttoned and frank, and astonishingly detailed, these are the memoirs of Margaret Leeson (1727- 1797), Dublin's best-known and most stylish brothel keeper of the late eighteenth century. Unpublished since their day (when they sold quite well

In 'Lascivious Bodies' Julie Peakman presents a history of sex in 18th-century Britain, a period of wide-ranging experimentation that led to the birth of modern sexuality as we now know it.

Licentious Worlds is a history of sexual attitudes and behavior through five hundred years of empire-building around the world. In a graphic and sometimes unsettling account, Julie Peakman examines colonization and the imperial experience of women (as well as marginalized men), showing how women were not only involved in the building of empires, but how they were also almost invariably exploited. Women acted as negotiators, brothel keepers, traders, and peace keepers-but they were also forced into marriages and raped. The book describes women in Turkish harems, Mughal zenanas, and Japanese geisha houses, as well as in royal palaces and private households and onboard ships. Their stories are drawn from many sources—from captains' logs, missionary reports, and cannibals' memoirs to travelers' letters, traders' accounts, and reports on prostitutes. From debauched clerics and hog-buggering Pilgrims to sexually-confused cannibals and sodomizing samurai, Licentious Worlds takes history into its darkest corners.

Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the King's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in Mrs. Keppel and Her Daughter. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual freedoms.

\*Highly Commended by the British Records Association for the 2019 Janette Harley Prize\* In September 1943, at the height of World War II, the Aegean island of Leros became the site of the most pivotal battle of the Dodecanese campaign as the British tried, in vain, to retain control of the island. Over the course of two short months - from 15 September 1943 to 17 November 1943 - almost 1500 men lost their lives and hundreds more ended up in Prisoner-of-War camps. In this book, Julie Peakman, a modern-day resident of Leros, brings to life the story of the men caught up in the battle based on first-hand interviews and written accounts including diaries, letters and journals. She tells of the preparations of the soldiers leading up to the battle, the desperate hand-to-hand fighting, and the suffering endured from continual bombings. She also shows the extent of the men's despair at the allied surrender, the many subsequent daring escapes as well as the terrible years of incarceration for those who were captured and imprisoned. Many of the heart-rending accounts of the battle are told here for the first time, providing a unique eyewitness take on this forgotten corner of World War II.

SOON TO BE A FILM FROM NETFLIX STARRING LILY JAMES, CAREY MULLIGAN, AND RALPH FIENNES. A succinct and witty literary venture that tells the strange story of a priceless treasure discovered in East Anglia on the eve of World War II In the long, hot summer of 1939, Britain is preparing for war, but on a riverside farm in Suffolk there is excitement of another kind. Mrs. Pretty, the widowed owner of the farm, has had her hunch confirmed that the mounds on her land hold buried treasure. As the dig proceeds, it becomes clear that this is no ordinary find. This fictional recreation of the famed Sutton Hoo dig follows three months of intense activity when locals fought outsiders, professionals thwarted amateurs, and love and rivalry flourished in equal measure. As the war looms ever closer, engraved gold peeks through the soil, and each character searches for answers in the buried treasure. Their threads of love, loss, and aspiration weave a common awareness of the past as something that can never truly be left behind.

From his love of accordions and Hawaiian print shirts to his popular puns and trademark dance moves, "Weird Al" Yankovic has made a career out of making us laugh. Funny music is often dismissed as light and irrelevant, but Yankovic's fourteen successful studio albums prove there is more going on than comedic music's reputation suggests. In this book, for the first time, the parodies, original compositions, and polka medleys of the Weird Al universe finally receive their due respect. Lily Hirsch weaves together original interviews with the prince of parody himself, creating a fresh take on comedy and music's complicated romance. She reveals that Yankovic's jests have always had a deeper meaning, addressing such topics as bullying, celebrity, and racial and gender stereotypes. Weird Al is undeterred by those who say funny music is nothing but a low-brow pastime. And thank goodness. With his good-guy grace still intact, Yankovic remains unapologetically and unmistakably himself. Reveling in the mischief and wisdom of Yankovic's forty-year career, this book is an Al-expense-paid tour of a true comedic and musical genius.
