Linnea Larson is willing to do anything to keep her family ' s Minneapolis dinner theatre from going under. Anything, that is, besides accepting a date from the Hollywood hunk hired to inject a dose of star power into their production of Guys & Dolls. It ' s a toss up whether his greatest claim to fame is playing a superhero on screen, or a super stud off screen. Neither fact convinces her he ' s got what it takes to share her stage. Luke Powell has fame, fortune, and an endless string of women, but also a lingering dissatisfaction with his picture perfect life. Looking for a change, he escapes to his theatrical roots. What he finds are wary cast mates, a nervous best friend convinced the show will ruin Luke ' s career, and an adorable costar who stubbornly refuses to go out with him. Suddenly singing and dancing aren ' t the only challenges he ' ll tackle over the summer. Despite Luke dragging her into his daily paparazzi nightmare, Linnea can ' t deny her mounting attraction to his irresistible charm. And even if she ' s crazy enough to chance getting involved, their fling would have a guaranteed expiration date. He ' s headed back to Hollywood at the end of the run, and she's tied to her family's theatre. Why risk the inevitable heartbreak? Their job is to act like they ' re in love, but will they decide it's worth the leap to fall in love for real?

Anda seizes her chance to get payback on Chance. At least, that ' s her plan... But does she have it in her to use Chance for a few more nights of great sex and then turn the tables and dump him? Is that revenge worth undoing all her healing? Will Anda leave with the satisfaction of another steamy hook-up with Chance? Or could her epic humiliation actually end up bringing her to the man of her dreams?
