Revised edition of the authors' Principles of marketing.

Revised edition of the authors' Principles of marketing.

Principles of Marketing, Third European Edition provides an introduction to modern marketing. Recognising the increasing significance of globalisation and e-business, John Saunders and Veronica Wong have dealt with Europe in a global marketing context. Illustrative examples and case studies are drawn from across Europe and around the world.

This book offers the most current applied, resourceful and exciting text for the introductory marketing course.

For undergraduate principles of marketing courses. This ISBN is for the bound textbook, which students can rent through their bookstore. An introduction to marketing using a practical and engaging approach Marketing: An Introduction shows students how customer value -- creating it and capturing it -- drives effective marketing strategies. The 14th Edition reflects the major trends and shifting forces that impact marketing in this digital age of customer value, engagement, and relationships, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Through updated company cases, Marketing at Work highlights, and revised end-of-chapter exercises, students are able to apply marketing concepts to real-world company scenarios. This title is also available digitally as a standalone Pearson eText, or via Pearson MyLab Marketing which includes the Pearson eText. These options give students affordable access to learning materials, so they come to class ready to succeed. Contact your Pearson rep for more information.
