Apprentice mage Chance Fortunato has faced off with a lot of nasty things. Power hungry vampires, abusive alpha werewolves, and deranged cultists. But none of his training under his mentor Dr. Corwin has prepared him for the trial he is about to face: Junior Prom. While investigating an occult group, Chance discovers something truly sinister: an event known as the Rending will fall on the night of prom, and every circle of demon-worshippers in New Essex is looking for one girl: The Half-Caste Chylde. Some want to capture her, others want to kill her, for her blood is the key to controlling Mammon's Horde and collecting on the true purpose of the Rending: to break a demonic contract without giving up what was bargained for or losing one's soul. As if things weren't bad enough, Chance learns that if the Horde is not controlled by the blood of the Half-Caste Chylde, it will break free to fulfill a plan of its own, to slaughter one hundred innocents as a sacrifice to release Mammon, the original ruler of Hell. Caught between two terrible choices, Chance's job is made all the more difficult as the past begins to catch up to his mentor and himself. Old debts come due, forgotten wounds are reopened, and alliances shift in unexpected directions as Chance fights to save both his classmates and the Half-Caste Chylde, whoever she is. With the truth closer than he realizes, can Chance do the impossible, save the day and survive taking up the mantle of Prom Knight?

At fifteen, Chance Fortunato has seen more evil than most people ever will. Indentured by his father to the demon count Dulka, he's been taught dark magick and forced to do his Infernal master's dirty work for eight years. But now Chance has figured out a way to defeat his master and free himself. His new life with his mother and sister is far from easy, and freedom has its own perils. Normal life is hard enough, but even in a mundane looking high school, there are paranormal threats from both sides of the mystical fence. When his new mentor is murdered, Chance knows he is the only one who can track the killer down. To bring his mentor's killer to justice, Chance will have to fight evil on its own terms, and discover if that makes him a hero...or a monster.

The Franklin Academy is the most prestigious magick school in the US, with the highest admission standards, and tuition to match. Any student would be honored to go at all, much less get a scholarship. Not Chance Fortunato. He'd much rather stay at home and study under his mentor, Dr. Corwin. But when a student is attacked and his soul is ripped from his body, Chance knows he has to stay. Not only must he prove his innocence, but he is the only person in the state who has experience fighting the ancient blood magick that is being twisted to a new and terrible purpose. The stakes have never been higher, and Chance has never faced odds like these before. Stripped of his usual network of friends and allies, can he stop the attacks before they strike too close to home? Or will he be the next victim of a dark and terrible sorcery?

Apprentice mage Chance Fortunato just can't catch a break. His training has gotten even harder, and his mentor Dr. Corwin is pushing him to take his mage trials early. Still, it beats his old gig working for a demon. But life takes a turn for the worse when a member of his girlfriend Shade's werewolf pack is killed by a member of a rogue pack. Adding insult to grief, the pack is forced to let the Conclave send an observer to monitor their investigation. When the Conclave allows Jacob Kain, an Alpha from the Boston clans to act in their stead, though, things become even more complicated, as Kain has an agenda of his own. As Chance and Shade fight to keep Kain from taking over, a new enemy arrives with a very personal connection to Chance. Even if he can survive this deadly combination of forces, can he survive the plans of another, hidden enemy from his past? The only thing that is certain that before it's all over, everyone's true colors will show.

Being a normal teenager is hard. For Chance Fortunato, former demon's apprentice and reforming warlock, it's almost impossible. On the outs with Shade, his alpha werewolf girlfriend, behind on his magickal studies and still hunted by the Conclave, Chance thinks his life can't get any worse. But when an empath named Dani asks him to find her missing girlfriend, Chance's life suddenly spirals out of his control. Caught by the Conclave, he finds himself facing a Trial by Ordeal. To save himself and his new mentor Dr. Corwyn, Chance must find the stolen Maxilla Asini, a powerful sword that can change the balance of power between the magi and the forces of the Nine Hells. As he searches for the Maxilla and continues his search for the missing girl, he discovers a sinister link between Dani's abducted girlfriend, the disappearances of other teens in New Essex, and the politics of the local vampire coven. Caught between multiple forces, Chance soon discovers that his only hope may be the missing Maxilla. With the forces of both good and evil aligned against him, will a bad attitude, the help of his friends and a little faith be enough to help Chance beat the biggest challenge of his life?

Volume Two of The Runelords Raj Ahtan, ruler of Indhopal, has used enough forcibles to transform himself into the ultimate warrior: The Sum of All Men. Ahtan seeks to bring all of humanity under his rule-destroying anything and anyone that stood in his path, including many friends and allies of young Prince Gaborn Val Orden. But Gaborn has fulfilled a two-thousand-year-old prophecy, becoming the Earth King-a mythic figure who can unleash the forces of the Earth itself. And now the struggle continues. Gaborn has managed to drive off Raj Ahtan, but Ahtan is far from defeated. Striking at far-flung cities and fortresses and killing dedicatives, Ahtan seeks to draw out the Earth King from his seat of power, to crush him. But as they weaken each other's forces in battle, the armies of an ancient and implacable inhuman enemy issue forth from the very bowels of the Earth. "Filled with magic, intrigue, and humor, this series is sure to delight fans of cozy mysteries and urban fantasy."?Bookriot A chance for a new beginning in Portland, Oregon. A stowaway from Paris. Can alchemist Zoe Faust solve the mystery of an ancient book in time to save her new friend? Don't miss the first novel in the award-winning series from USA Today bestselling author Gigi Pandian! Unpacking her belongings in her new fixer-upper house, alchemist Zoe Faust can't help but notice she's picked up a stowaway. Dorian Robert-Houdin is a living, breathing gargoyle?not to mention a master of French cuisine?and he needs Zoe's expertise to unlock the secrets of a centuries-old text. Zoe, who's trying to put her old life behind her, isn't so sure she wants to reopen her alchemical past...until a crime committed on her front porch leaves her no choice. Includes recipes! Praise Winner of the Left Coast Crime Lefty Award. "Zoe and Dorian are my new favorite amateur-sleuth duo!" ?New York Times bestselling author Victoria Laurie "A whimsical and charming supernatural mystery."?Mystery Scene "Mysterious, captivating, and infused with the rich history of the Northwest...fantastic." ?Portland Book Review "This reviewer is eagerly anticipating more from this series, and a return of a cast more fun than an episode of Portlandia."?RT Book Reviews "Pandian...launches a supernatural cozy series that hits high marks for a modern twist on an ancient practice. Amusing supporting characters and historical details solidify this engaging mystery." ?Library Journal "[A] lighthearted supernatural mystery...Pandian sets this series apart from other fluffy paranormal mysteries with Zoe's cute nonhuman sidekick and some mouthwatering vegan recipes." ?Publishers Weekly "Readers won't want to put this book down." ?Vegetarian Journal "[A]n eccentric and charming cast of characters readers are going to want to spend more time with." ?RT Book Reviews Online "A magical, whimsical cozy that will delight readers who enjoy Juliet Blackwell and Heather Weber mysteries!"?Agatha Award-winning author Avery Aames (aka Daryl Wood Gerber) "Gigi Pandian's pen never disappoints." ?New York Times bestselling author Juliet Blackwell

Chance Fortunato may be away at boarding school, but the bad guys haven't gone anywhere, and they certainly haven't changed their ways. It falls to Chance's friends to pick up the slack. In Mage Enough, Lucas is confronted with the consequences of helping Chance during an earlier adventure and must delve into the vampire subculture of New Essex in order to find a missing priest. As he uncovers another, greater threat, he also discovers that he's capable of far more than he ever thought possible. In Freedom, Shade learns that there is much more to the world behind the Veil than she ever suspected. When Lucas shows up needing her help for a newfound friend, she's more than willing to assist. But they quickly discover that he's taken something that the vampires will go to any lengths to get back. In trying to keep those around her safe, she will discover what it truly means to live free, and how far she'll go to safeguard that right. In Those Who Can, Dr. Corwyn discovers how far the conspiracy Lucas and Shade have uncovered goes, and how much the Conclave doesn't know. Drafted back into a role he had given up years ago, he must figure out how the Sentinels have changed over the years, and if he can do the job now. As he struggles to find his way in his old/new role, he finds an even bigger conspiracy and the hint of something familiar.

Book Three of The Runelords Certain works of fantasy are immediately recognizable as monuments, towering above the rest of the category. Authors of those works, such as Stephen R. Donaldson, J.R.R. Tolkien, Robert Jordan and Terry Goodkind, come immediately to mind. Now add David Farland to that list, whose epic fantasy series began with The Runelords. Wizardborn continues the story of the struggle of Gaborn, now the Earth King, who has lost his powers but continues to lead his people. He must contend with the threat of the huge, inhuman Reavers, whose myriads Gaborn and his forces must now pursue across the nation. It has become Gaborn's fate to follow, even into the depths. Raj Ahten, the great warlord endowed with the strength and qualities of thousands of men, once the primary threat to Gaborn, now struggles to retain his own empire. His war of conquest thwarted, his very life is now threatened by the Reaver thousands. And a young girl, Averan, who has eaten a Reaver and absorbed some of its memories, becomes a keystone in the search for the dark Reaver lair. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?
