encourage you to develop and apply your theoretical knowledge to your own experiences. The editors and contributing authors - all experienced practitioners and researchers - share their experience of meeting the diverse needs of learners in the ESOL setting. Learners come from a wide range of cultural, educational and linguistic backgrounds and choose to learn English for a variety of reasons. These factors have important implications for the way the teaching is undertaken. The authors draw on their wealth of experience with adult learners to offer practical strategies for

and how they might be served within FE.

This is an informative, engaging and accessible book about teaching that covers a broad range of content without being superficial.

Becoming a counsellor or psychotherapist is a transformative and life-changing experience. Some trainees manage this process well, while others struggle to come to terms with the personal impact of their training. In *What You Really Need to Know about Counselling and Psychotherapy Training*, Cathy McQuaid
