Originally published in  
1990. This book  
examines the innovative  
programs that changed  
the way reading and  
writing was taught  
during the previous ten  
years. Both teacher and

gives a unique macro  
perspective of what she  
calls “the hidden forces  
behind your money,”  
which are the unseen  
political and economic  
forces that may  
influence your  
investment decisions.

Through meticulous
