featuring the Lawless siblings--from New York Times bestselling author Lexi Blake. Brandon Lawless is a man on a mission: obtain the information that will clear his father's name. He's willing to do whatever it takes--even seduce his enemy's personal assistant, the beautiful and innocent Carly Hendricks. But with her beguiling smile and captivating intelligence, Brandon soon realizes he doesn't want to deceive Carly, he wants to win her over--both in the boardroom and the bedroom. Then a twisted crime leaves Carly vulnerable and Brandon finds himself reeling. The stakes of his mission are now life or death--Carly's life. And Brandon realizes he's lost his heart to an amazing woman and his plan must succeed, because the stakes are no longer just revenge, but a once in a lifetime love.

"The Lawless siblings are bound by vengeance. Riley, Drew, Brandon, and Mia believe the CEO of StratCast orchestrated their parents' murder twenty years ago to steal their father's software program. And there's only one way Riley can find some solid evidence. Heir to the StratCast legacy, Ellie Stratton hires a new attorney to handle a delicate business matter--and she's shocked by her attraction to him. Over the course of a few weeks, Riley becomes her lover, her friend, her everything. But when her life is threatened, Ellie discovers that Riley is more obsessed with settling an old score than in the love she

Passion and danger collide in the this contemporary romance featuring the Lawless siblings—from New York Times bestselling author Lexi Blake. When Drew Lawless discovers a fatal flaw in his plan to avenge his parents' deaths, he turns to the one woman he promised he wouldn't touch. He offers her a deal, one that will bring her into his investigation, his life, and his bed. Investigative reporter Shelby Gates never dreamed how twisted the case would become—or how fascinated she would be with Drew. Every day they spend together binds them. And every night brings her closer to realizing he might be the man for her. As Drew's feelings for Shelby grow, so does the danger. From the streets of Dallas to Austin's high-tech business world, Drew and Shelby play a game begun twenty years before—a game they will win, or die trying.

The Lawless School provides the right education for kids on the wrong side of the law. M Freeman has been homeschooled her entire life. So M has no idea just how unusual her education has been - not until she leaves home to attend the prestigious (and mysterious) Lawless School. Suddenly, it's very clear to M that her tutors have been preparing her all along for a life of crime. She excels at escape tactics. She's a

whiz at spotting forgeries. Her years of piano lessons pay off when picking pockets and cracking safes. M's newfound talent for criminal mischief soon brings her to the attention of the Masters, the secretive school's most secretive clique. M's interest in the Masters is personal - joining this international dishonor society is her best chance to learn the truth about her father's life . . . and his death. But when her first real-world heist goes wrong, M is left wondering: Is there truly honor among thieves? Jeffrey Salane's first novel is full of twists and turns, reveals and reversals. Spoiling the ending for your friends would be criminal!

A sexy and suspenseful new contemporary romance from New York Times bestselling author Lexi Blake where love and law entwine for a conviction of the heart. To high-end defense attorney Henry Garrison, Win Hughes is a woman he met during one of the most trying times of his life. She's soft and warm, and he finds solace in their brief relationship. But Win has a secret. She's actually Taylor Winston-Hughes--born to one of the wealthiest families in the country, orphaned as a child by a tragic accident. Win moves in the wealthiest circles, but her lavish lifestyle hides her pain. When her best friend is murdered in the midst of a glittering New York gala, Win's charged with the crime, and the only person in the world she wants to see is

Henry. Henry is shocked at the true identity of his lover, but he can't reject the case. This trial could take his new firm into the stratosphere. Still, he's not getting burned by Win again. And yet every turn brings them closer together. As the case takes a wild turn and Win's entire life is upended, she must look to the people she's closest to in order to find a killer. And Henry must decide between making his case and saving the woman he loves...

The sequel to LAWLESS - the criminally smart adventure thriller! M Freeman learned the hard way not to trust her new friends at Lawless, an unusual school where she was training to follow in her parents' footsteps - as a master criminal. She managed to overturn Lawless's dangerous plans, but now her previous rivals - the Fulbright Academy - need M's help. Lawless are after a weapon that could threaten all life on earth. But can she really trust her new allies? It's time for M to take the law into her own hands.

Twenty miles south of the Arizona-Mexico border, the rugged, beautiful Sierra Madre mountains begin their dramatic ascent. Almost 900 miles long, the range climbs to nearly 11,000 feet and boasts several canyons deeper than the Grand Canyon. The rules of law and society have never taken hold in the Sierra Madre, which is home to bandits,

drug smugglers, Mormons, cave-dwelling Tarahumara Indians, opium farmers, cowboys, and other assorted outcasts. Outsiders are not welcome; drugs are the primary source of income; murder is all but a regional pastime. The Mexican army occasionally goes in to burn marijuana and opium crops -- the modern treasure of the Sierra Madre -- but otherwise the government stays away. In its stead are the drug lords, who have made it one of the biggest drug-producing areas in the world. Fifteen years ago, journalist Richard Grant developed what he calls "an unfortunate fascination" with this lawless place. Locals warned that he would meet his death there, but he didn't believe them -- until his last trip. During his travels Grant visited a folk healer for his insomnia and was prescribed rattlesnake pills, attended bizarre religious rituals, consorted with cocaine-snorting policemen, taught English to Guarijio Indians, and dug for buried treasure. On his last visit, his reckless adventure spiraled into his own personal heart of darkness when cocaine-fueled Mexican hillbillies hunted him through the woods all night, bent on killing him for sport. With gorgeous detail, fascinating insight, and an undercurrent of dark humor, *God's Middle Finger* brings to vivid life a truly unique and uncharted world.

bestselling author of Order of Protection where passion for the law isn't the only thing heating up the courtroom. Isla Shayne knows she's in over her head. As former all-star linebacker Trey Adams's personal lawyer, she's used to handling his business dealings and private financial matters, not murder charges. She needs to find an experienced criminal attorney who speaks her client's language. David Cormack of Garrison, Cormack and Lawless is exactly what she needs in the courtroom--and the only man she wants in the bedroom. For David, taking on the Adams case means diving back into a world he thought he'd left behind and colliding head on with tragic possibilities he's in no mood to face. There's a reason professional football is in his past and no matter how close Isla gets to the truth he intends to leave it there. But long days working on the case together lead to hot nights in each other's arms. As their feelings grow, the case takes a deadly twist that could change the game between the two lovers forever.

The story of the dark side of the Afghan war - and how Pakistan degenerated into a nuclear-armed powder keg Eight years ago we chased the Taliban from Kabul and forced Al Qaeda to find a new home. One by one the militants crossed the border into Pakistan and settled in its tribal areas, building alliances with locals and terrorizing or

bribing their way to power. This place - Pakistan's lawless frontier - is now the epicenter of global terrorism. It is where young American and British jihadists go to be trained, where the kidnapped are stowed away, and where plots are hatched for deadly attacks all over the world. It has become, in President Obama's words, "the most dangerous place" - a hornet's nest of violent extremists, many of whom now target their own state in vicious suicide-bombing campaigns. Imtiaz Gul, who knows the ins and outs of these groups and their leaders, tackles the toughest questions about the current situation: What can be done to bring the Pakistani Taliban under control? Who funds these militants and what are their links to Al Qaeda? Are they still supported by the ISI, Pakistan's all-powerful intelligence agency? Based on dozens of exclusive interviews with high-ranking Pakistani intelligence, government and military officers and extensive first-hand reporting, *The Most Dangerous Place* is a gripping and definitive exposé of a region that Americans need urgently to understand.

Jane Lawless has a knack for cooking and a talent for detection. A case gone bad has left her with a serious head injury and vulnerable enough to accept help from former lover Dr. Julia Martinsen. The TLC is welcome-if only Jane didn't suspect the jittery Julia of hiding something. Disquieted, Jane's check into the doctor's past turns up
