Children's Choice Winner at the School Library Association's Information Book Awards 2014 The Anxiety Gremlin loves one thing - to feed on your anxiety! But watch out, as the fuller he gets, the more anxious you get! How can you stop him? Starve him of his favourite food - your anxiety - and he'll shrink and shrivel away. Starving the Anxiety Gremlin is a unique and award-winning resource to help young people understand different types of anxiety and how to manage them, including panic attacks, phobias, social anxiety, generalised anxiety and obsessive compulsive disorder. Based on cognitive behavioural principles that link thoughts, feelings and behaviours, the techniques described help young people to understand why they get anxious and how they can 'starve' their anxiety gremlin in order to manage their anxiety. This engaging workbook uses fun activities and real life stories, and can be used by young people aged 10+ on their own or with a parent or practitioner. It is also an ideal anxiety management resource for those working with young people, including mental health practitioners, social workers, education sector staff and youth workers.

This engaging workbook helps young people aged 10+ understand and manage anxiety. Based on cognitive behavioural therapy principles, the activities will help young people understand why they get anxious and how to use simple, practical techniques to manage and control their anxiety. Suitable to work through alone or with a parent or practitioner.

Winner of a 2008 Teachers' Choice Award! Many children, especially those with developmental delays, have trouble understanding or expressing their feelings. The result can be difficulty with anger management. Listing possible responses to situations - and the likely outcome of each one - allows the child to make informed decisions about which responses to choose (walking away vs. hitting). This book provides a guide for caregivers and then the workbook portion asks children to identify situations that trigger their anger and find appropriate ways to respond. Helpful topics include: Overview of the Exploring Feelings Program Introduction to Cognitive Behaviour Therapy Modifications to Conventional Cognitive Behaviour Therapy Affective Education Cognitive Restructuring Comic Strip Conversations The Emotional Toolbox Additional Tools for the Toolbox Social Stories Research Evidence on the Effectiveness of Exploring Feelings

Kids need help learning how to manage their anger. Blending solid information and sound advice with humor and lively illustrations, these anger-management tips guide kids to understand that anger is normal and to learn they can express it in healthy ways. The book teaches them how to recognize anger in themselves and others, how to handle situations and emotions (loneliness, guilt, frustration, fear) that lead to or mask anger, and how to deal with the anger they feel. This revised edition addresses children ' s exposure to increased societal violence and includes discussion and examples of anger related to texting and social media. Young readers learn that cruelty and violence are not acceptable and there are safer, more positive ways to resolve conflicts. They also discover what to do when people around them are angry, how to get help, and how to locate other resources when they need more support.

Workbook to help students cope with and develop ways to prevent stress and anxiety. Topics include relaxation, flexible thinking, problem solving, getting organized, being healthy, getting along with other kids and using strengths and talents.

This highly practical book presents an evidence-based individual therapy approach for children and adolescents experiencing anger problems. Comprising 10 child sessions and three parent sessions, the treatment addresses anger management, problem solving, and social skills. Sessions are described in step-by-step detail, complete with helpful case examples and therapist scripts. The authors show how to flexibly implement a range of cognitive and behavioral strategies while maintaining treatment fidelity. Reproducibles include 38 worksheets and handouts, plus therapist checklists and parent forms, all in a convenient large-size format for easy photocopying.

Meant for children aged 7-13, this book shows how to work at problem behaviour such as obsessions or yelling, and move on to alternative positive behaviours.
