Prix Femina Étranger the following year. It concerns a love triangle in which each of the three people concerned (and occasionally others) take it in turns to tell the story from their perspective using first person narrative. Stuart and Oliver have been best friends since school but are opposite in character, Stuart is insecure and slightly nerdy, Oliver is a flamboyant loser prone to elaborate witticisms.

Talking It Over - Wikipedia

Talking it Over is a very witty novel on a love-triangle story told by each character in first person to the reader. Barnes creates a human chorus with distinctive voices, and characters that feel real and almost alive due to his insight on the psychology of each one.

Talking it Over is one of the best works of Julian Barnes. Told in 3 perspectives of the protagonists, I was baffled, perplexed and confused, as to where my alliances lie. Whose side I was rooting for? Who was the hero for me and who was the victim? This love triangle story was unique and highly amusing. I just realized that it has a second installment.
