Originally published in 1951 and co-written by screenwriter Lowell S. Hawley, this is the autobiography of American psychiatrist, Dr. James T. Fisher. It is the story of Dr. Fisher's life and of his experiences, and seeks to portray his philosophy. "I am, I believe, one of the few laymen who has ever sat quietly taking notes and asking questions, while the psychiatrist lay on the couch giving voice to his thoughts at random."—Lowell S. Hawley (Foreword) "As readable as a primer and as interesting as a Kinsey Report."—Memphis Commercial Appeal "This warmly human and humorous autobiography offers an easy, delightful and intelligent introduction to psychiatry, from the practicing psychiatrist's point of view...a most engrossing book."—Cincinnati Times "It is unlikely that laymen could find anywhere else such lively and enlightening explanations of schizophrenia, manic-depression, paranoia, the significant of Freud, the technique of analysis, the uses of hypnotism and the meaning of dreams....And all these matters are expounded with colloquial informality, with salty humor and with interest and highly condensed case histories."—Orville Prescott, New York Times

A mix of mystery and history, *Gourmet Ghosts* is a unique guide to more than 40 haunted bars and restaurants in Los Angeles. Including new and previously-unpublished stories, photographs and eyewitness accounts, this book also digs into the newspaper archives to find out if there's any truth to the tales - and offers tips on the best food, drink and Happy Hours. From Downtown to Hollywood and from West Hollywood to the Westside, you can find out which booth to choose if you want to dine with a ghost, read about "The Night Watchman" at the Spring Arts Tower, walk in the steps of "Glover's Ghost" at Yamashiro or examine the strange pictures from the Queen Mary and the Mandrake Bar. Your table is ready!

Sh!t happens. Every day. Mae West was sent to jail for "corrupting the morals of youth" with her first Broadway play. When participation in the Hitler Youth became mandatory in Germany, groups of teen "pirates" rebelled. Muhammad Ali refused to "drop bombs and bullets on brown people" in Vietnam. A dog sled relay carried life-saving medicine 674 miles through -50 temperatures to rescue children dying from diphtheria. The Dionne Quintuplets were stolen by the Canadian government and displayed like zoo animals for profit. Indian princess Noor Inayat Khan was one of the most successful spies against the Nazis in World War II. A children's television show called *Caillou* tortured parents for more than a decade . . . Sh!t goes down every single day of the year, year after year. Sometimes it's a battle that changes the course of history, other times it's a life-saving medical advancement. Bravery is

Read Online The Autobiography Of James T Kirk

counter-balanced with cowardice. There is slavery and there is self-sacrifice. History is replete with deeds both noble and despicable. Some were motivated by greed, others generosity. Many dedicated themselves to the art of killing, while others focused their efforts on curing. There have been grave mistakes and moments of greatness. Confrontation and cooperation. Early in the twentieth century Spanish philosopher George Santayana wrote, "Those who cannot remember the past are condemned to repeat it." But history serves not just as a warning; it also offers encouragement. Humanity is not endless suck. There is inspiration to be found amidst the atrocities. On This Day in History Sh!t Went Down will significantly expand your knowledge of world history in the most hilarious and profane way possible.

"Hitmaker, singer, innovator, producer, award-winning pioneer in the fusion of funk groove and rock, the late Rick James collaborated with go-to music biographer David Ritz, in this wildly entertaining and profound expression of a rock star's life and soul"--

First published in 1959, *The Autobiography of James Monroe* collects the compelling fragments of Monroe's unfinished autobiography, written after his retirement from the presidency. The memoirs trace his boyhood, education, and experiences during his long service as a public servant before becoming president. Monroe vividly recalls his military experience in the Revolution, his law studies at the College of William and Mary, and his service as aide to Governor Thomas Jefferson of Virginia. From the early days of his political career, Monroe writes with passion about his opposition to slavery and his support for the Western farmer. He discusses his controversial first mission to France as a young and inexperienced minister to a country in the throes of a revolution, as well as subsequent missions in which he served as the key negotiator with France for the purchase of the Louisiana Territory. Originally edited by Stuart Gerry Brown, this new edition includes an introduction by historian and documentary editor William Ferraro. Ferraro considers the lasting influence of Brown's edition on Monroe scholarship and surveys the most recent research, detailing the ways this founding father's legacy continues to unfold.

Relates the cultural history of cancer and examines society's reaction to the disease through a century of American life.

James Arness gives the full story on his early years, his family, his military career and his film work in Hollywood, including appearances in the cult-favorite science fiction movies *Them!* and *The Thing*. He had a very long run on television's *Gunsmoke* and a role in the miniseries *How The West Was Won*. His post-theatrical period is also covered. This is a republication in paperback of the 2001 edition—the long anticipated account of one of the icons of 20th-century television. He offers many anecdotes of interacting with the *Gunsmoke* family, such as Miss Kitty, Doc and Festus. His own work as a producer is covered. Throughout are previously unpublished photographs from the author's collection. Appendices include comments by show biz colleagues and *Gunsmoke* alumni, and a sampling of letters received from his fans. Actor and fellow *Gunsmoke* performer Burt Reynolds has written a foreword to the book.
