Why is Cambridge a Phenomenon? | HuffPost UK

11:52AM April 26, 2016 Fifty years ago Cambridge was a sleepy city with a world-class university. Today it is a hub of business innovation, with thousands of knowledge-based companies... and it still has a world-class university. The seeds of change lie in the appointment in 1956 of John Bradfield as bursar of Trinity College.

Creation of the Cambridge phenomenon

The 'Cambridge Phenomenon' revisited: aggregate change among Cambridge high-technology companies since 1985 ... no more than 10% have over 50 employees and only one new firm has over 250 employees. High-technology employment in the county stood at about 23,000 in 1992. There has been substantial investment in these companies through ...

The 'Cambridge Phenomenon' revisited: aggregate change ...

The 'Cambridge Phenomenon' has achieved global recognition as an exemplar of economic success. After decades of post-war planning restraint, a major shift in the strategic planning framework saw...

(PDF) The 'Cambridge Phenomenon' and the challenge of ...

This small mediaeval market town (whose population today is still only around 125,000) morphed in under 50 years to a cluster spawning not just ARM and Autonomy (both rooted in computer science) but Abcam (an innovator in reagents, quoted on the London Stock Exchange), Cambridge Antibody Technology (acquired by AstraZeneca for \$702M), CSR (fabless semiconductors, bought by Qualcomm for \$2.4bn) or Domino (inkjet printing pioneers bought by Brother for \$1bn).

Cambridge Phenomenon - St Johns Innovation Centre

Little Green Men? Pulsars Presented a Mystery 50 Years Ago ...

In the Cambridge phenomenon (Segal 1985), Segal Quince & Partners argue that the growth of high technology industries around Cambridge came from informal contacts, modest locally arranged financing and organic growth from existing small independent companies.

Net Traveller - Summary of The Cambridge Phenomenon

The Cambridge Five's Miserable Lives In 1949, Kim Philby gained access to the Venoma intercepts and an agent code-named 'Homer' from New York slipped a document concerning the British Embassy in Washington. The members became suspicious of the whole ordeal and panicked thinking they would be caught.

Who Were the Cambridge Five? - WorldAtlas

involving what has just been mentioned or described: The foregoing account was written 50 years after the incident. Remember, the foregoing description of the plan is just a summary. The significance of the project is greater than the foregoing paragraph suggests. The foregoing discussion detailed probable causes.
