Your plans will serve as a foundation for your idea as well as a guide to follow throughout the development. In the game industry, we call this a game design document (GDD). In a typical GDD, you'll elaborate anything related to the game in question. Everything from your game mechanics, specify which type of game it will be, the story of the game (if there is one), initial artwork, a brief, etc. Get your entire idea out of your head and put it into a GDD.
