The Girl I Used to Be by Mary Torjussen is a psychological thriller that is mostly told from Gemma's point of view in the present but it does switch the point of view and include flashes back to past events in a few places. The story is one that is super easy to follow and everything flows along nicely though.

THE GIRL I USED TO BE is an intense thriller that seeks truth and vengeance for the slaughter of a couple in the winter woods. Gritty, real, small town, and driven, this story is one that will keep your heart pounding from start to finish. Quite a good read in my opinion.
