The Infinite Sea (The 5th Wave, #2) by Rick Yancey

The old house built by the farmer's grandfather was now a deserted island surrounded by an infinite sea of brown. The days grew short and the nights turned cool, and the wheat cracked in the dry wind. The wheat had survived the hail and lightning of the summer storms, but luck could not deliver it from the cold.

About Rick Yancey Rick Yancey (www.rickyancey.com) is the author of the New York Times bestseller The 5th Wave, The Infinite Sea, several adult novels, and the memoir Confessions of a Tax Collector. His first young-adult novel, The Extraordinary Adventures of Alfred Kropp, was a finalist for the Carnegie Medal.

The riveting follow-up to the New York Times bestselling The 5th Wave, hailed by Justin Cronin as “wildly entertaining.” How do you rid the Earth of seven billion humans? Rid the humans of their humanity. Surviving the first four waves was nearly impossible. Now Cassie Sullivan finds herself in a new world, a world in which the fundamental trust that binds us together is gone. As the 5th Wave rolls across the landscape, Cassie, Ben, and Ringer are forced to confront the Others' ultimate goal: the extermination of the human race. Cassie and her friends haven't seen the depths to which the Others will sink, nor have the Others seen the heights to which humanity will rise, in the ultimate battle between life and death, hope and despair, love and hate. Praise for The 5th Wave “Just read it.”—Entertainment Weekly “A modern sci-fi masterpiece.”—USA Today “Wildly entertaining . . . I couldn't turn the pages fast enough.”—Justin Cronin,The New York Times Book Review “Nothing short of amazing.”—Kirkus Reviews (starred review) “Gripping!”—Publishers Weekly (starred review) “Everyone I trust is telling me to read this book.”—The Atlantic Wire

“Remarkable, not-to-be-missed-under-any-circumstances.”—Entertainment Weekly (Grade A) The Passage meets Ender's Game in an epic new series from award-winning author Rick Yancey. After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the unlucky survive. After the 4th wave, only one rule applies: trust no one. Now, it's the dawn of the 5th wave, and on a lonely stretch of highway, Cassie runs from Them. The beings who only look human, who roam the countryside killing anyone they see. Who have scattered Earth's last survivors. To stay alone is to stay alive, Cassie believes, until she meets Evan Walker. Beguiling and mysterious, Evan Walker may be Cassie's only hope for rescuing her brother—or even saving herself. But Cassie must choose: between trust and despair, between defiance and surrender, between life and death. To give up or to get up. “Wildly entertaining . . . I couldn't turn the pages fast enough.”—Justin Cronin, The New York Times Book Review “A modern sci-fi masterpiece. . . . should do for aliens what Twilight did for vampires.”—USAToday.com

The highly-anticipated finale to the New York Times bestselling 5th Wave series. The enemy is Other. The enemy is us. They're down here, they're up there, they're nowhere. They want the Earth, they want us to have it. They came to wipe us out, they came to save us. But beneath these riddles lies one truth: Cassie has been betrayed. So has Ringer. Zombie. Nugget. And all 7.5 billion people who used to live on our planet. Betrayed first by the Others, and now by ourselves. In these last days, Earth's remaining survivors will need to decide what's more important: saving themselves . . . or saving what makes us human. Praise for The Last Star “Yancey's prose remains achingly precise, and this grows heavier, tighter, and more impossible to put down as the clock runs out...this blistering finale proves the truth of the first two volumes: it was never about the aliens.”—Booklist, starred review “A haunting, unforgettable finale.”—Kirkus Reviews “Yancey doesn't hit the breaks for one moment, and the action is intense, but the language always stays lyrical and lovely. It's a satisfying end to an impressive trilogy, true to the characters and the world Yancey created.”—Entertainment Weekly “Yancey has capped off his riveting series with a perfect ending.”—TeenReads.com “The ending provides both satisfaction and heartbreak.”—Publishers Weekly “Yancey's writing is just as solid and descriptive as in the first two books...What Yancey does beautifully is reveal the human condition.”—Examiner.com “Rick Yancey sicks the (alien) landing in the action-packed finale to his The 5th Wave invasion saga. . . . And the author gives us a major dose of girl power as well, pairing Cassie and Ringer for an uneasy alliance that provides the best moments in this fantastic series' thought-provoking and satisfying conclusion.”—USA Today Praise for The 5th Wave Now a major motion picture starring Chlo Grace Moretz “Remarkable, not-to-be-missed-under-any-circumstances.”—Entertainment Weekly “A modern sci-fi masterpiece. . . .”—USAToday.com “Wildly entertaining . . . I couldn't turn the pages fast enough.”—Justin Cronin, The New York Times Book Review Praise for The Infinite Sea “Heart-pounding pacing, lyrical prose and mind-bending twists . . .”—The New York Times Book Review “Impressively improves on the excellent beginning of the trilogy.”—USA Today “An epic sci-fi novel with all the romance, action, and suspense you could ever want.”—Seventeen.com Books in the series: The 5th Wave (The First Book of The 5th Wave) The Infinite Sea (The Second Book of The 5th Wave) The Last Star (The Third Book of The 5th Wave)

The Infinite Sea is the second book in the phenomenal and bestselling 5th Wave series by award-winning author, Rick Yancey. Perfect for fans of The Hunger Games, Divergent and The Maze Runner® *The 5th WAVE is now a major film by Sony Pictures, starring Chloe Moretz® “Wildly entertaining . . . I couldn't turn the pages fast enough” The New York Times How do you rid the earth of seven billion humans? Rid the humans of their humanity. Cassie Sullivan and her companions lived through the Others' four waves of destruction. Now, with the human race nearly exterminated and the 5th Wave rolling across the landscape, they face a choice: brace for winter and hope for Evan Walker's return, or set out in search of other survivors before the enemy closes in. Because the next attack is more than possible - it's inevitable. No one can anticipate the depths to which the Others will sink - nor the heights to which humanity will rise. . . www.The5thWaveComing.com www.rickyancey.com “Remarkable, not-to-be-missed-under-any-circumstances. . . JUST READ IT” Entertainment Weekly “The next HIT” Daily Mail “This gut-wrenching sequel to The 5th Wave careens on a violent course of non-stop action.” Publishers Weekly, starred review ‘CHILLING’ Sun ‘The pace is RELENTLESS’ Heat ‘A modern sci-fi masterpiece. . . . Should do for aliens what Twilight did for vampires.’ USA Today ‘ACTION-PACKED’ MTV.com ‘A twisty survival story that borrows elements from romance, horror and dystopian fiction’ Wall Street Journal ‘An epic sci-fi adventure about a terrifying alien invasion. You'll read it in one sitting’ Bookseller ‘Heartfelt, violent, paranoid epic, filled with big heroics and bigger surprises. . . . a sure thing for reviewers and readers alike.’ Booklist (starred review) ‘A gripping SF trilogy about an Earth decimated by an alien invasion... the question of what it means to be human is at the forefront’ Publishers Weekly ‘Borrow this one from your teen's nightstand while they're at school.’ People Magazine “Winner of the 2014 Red House Children's Book Award *2014 Children's Choice Book Awards Finalist for Teen Book of the Year *A YALSA 2014 Best Fiction for Young Adults *A YALSA 2014 Quick Picks for Reluctant Young Readers *A Booklist 2014 Best Fiction for Young Adults *A VOYA 2013 Perfect Ten *An Amazon Best Book of the Year Books in the series: The 5th Wave (Book 1) The Infinite Sea (Book 2) The Last Star (Book 3)

Before The 5th Wave, there was Alfred Kropp. This second book in Rick Yancey's lauded series was called a “rip-roaring story that teens will love” in School Library Journal's starred review. Things have just settled down for Alfred, when he's suddenly kidnapped and forced to face a terrible threat--the Seal of Solomon. For millennia, the fallen angels of heaven were controlled by the ring. Now the ring has been stolen, and if it's not recovered, all hell will break loose. . . . Packed with thrills and laughs on every page, the second book in New York Times bestselling author Rick Yancey's series proves once again that heroes can come from anywhere, and anyone. Perfect for fans of James Patterson! Praise for The Extraordinary Adventures of Alfred Kropp: A Publishers Weekly Best Children's Book of the Year Carnegie Medal nominee Book Sense Children's Pick

Alfred Kropp was just trying to survive high school when his guardian uncle gets him roped into a suspicious get-rich-quick scheme that changes his life forever: stealing Excalbur - the legendary sword of King Arthur. But after Alfred unwittingly delivers the sword into the hands of the enemy, he sets off on an unlikely quest to try to right his wrong and save the world from imminent destruction. This gripping, fast-paced, and often hilarious novel is both a thrilling adventure story and an engaging account of one boy's coming of age.

Twelve years ago, Richard Yancey answered a blind ad in the newspaper offering a salary higher than what he'd made over the three previous years combined. It turned out that the job was for the Internal Revenue Service -- the most hated and feared organization in the federal government. So Yancey became the man who got in his car, drove to your house, knocked on your door, and made you pay. Never mind that his car was littered with candy wrappers, his palms were sweaty, and he couldn't remember where he stashed his own tax records. He was there on the authority of the United States government. With "a rich mix of humor, horror, and angst [and] better than most novels on the bestseller lists" (Boston Sunday Globe), Confessions of a Tax Collector contains an astonishing cast of too-strange-for-fiction characters. But the most intriguing character of all is Yancey himself who -- in detailing how the job changed him and how he managed to pull himself back from the brink of moral, ethical, and spiritual bankruptcy -- reveals what really lies beneath those dark suits and mirrored sunglasses. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Flesh-eating danger abounds in the chilling sequel to The Monstrumologist that is "as fast-paced, elegant, and yes, gruesome as its predecessor" (Publishers Weekly, starred review). While Dr. Warthrop is attempting to disprove that Homo vampiris, the vampire, could exist, his former fiancée asks him to save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in The Monstrumologist series explores the line between myth and reality, love and hate, genius and madness.

Will Henry's anassitant to a doctor with a most unusual speciality: monster hunting!In the short time he has lived with the doctor, Will has grown usedto late night callers and dangerous business. But when one visitor comes with the body of a young girl and the monster that was feeding on her, Will's world changes forever. The doctor has discovered a baby Anthropophagi- a headless monster that feeds through the mouthfuls of teeth in its chest - and it signals a growing number of Anthropophagi.Now, Will and the doctor must face the horror threatening to consume our world and find the rest of the monsters before it is too late...

All three volumes in Yancey's award-winning, "New York Times"-bestselling series are collected in this box set: "The 5th Wave, The Infinite Sea," and "The Last Star."
