The Red Green Show (TV Series 1991–2006) - IMDb

There is hope as species move from red to amber and amber to green. Mark says, "We've seen bitterns and nightjars move from red list to the amber list. Bitterns are a wonderful story because they were almost extinct from the UK, with less than a dozen males 20 years ago, but because of our conservation action it's now thriving.

Amazon.co.uk:Customer reviews: The Red and Green Life Machine

The Red and the Green is a novel by Iris Murdoch. Published in 1965, it was her ninth novel. It is set in Dublin during the week leading up to the Easter Rising of 1916, and is her only historical novel. Its characters are members of a complexly inter-related Anglo-Irish family who differ in their religious affiliations and in their views on the relations between England and Ireland. The novel combines a thoroughly researched account of the events leading up to the Easter Rising with a complicat

The Red and the Green - Wikipedia

The book took its title and cover image from the General Service Medal (1962) issued to UK military. He also wrote the book The Red and Green Life Machine, about his experiences in the Falklands War, and Jackspeak: A Guide to British Naval Slang and Usage.

Rick Jolly - Wikipedia

The Red is analogous with other forces of nature, their elementals, and their dimensions: The Black (which is associated with Death and run by the Parliament of Decay). The Green (which is connected to all plant life and run by the Parliament of Trees). The Clear (which is associated with aquatic life and run by the Parliament of Waves).
