The Regime: Evil Advances is Kindle I really liked the left behind series, but I did not really like this book. It is a prequel of happenings before they were left behind in the rapture. I read it years after reading the series and I don't think it contributed anything new. I didn't relate to the characters. .

Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives, unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Regime: Evil Advances Before They Were Left Behind." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and Tsion Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In The Rising, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture.

In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself--sparking the final and ultimate conflict from which only one side will emerge the eternal victor.

2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackaged of the eleventh book in the New York Times best-selling Left Behind series.
