THE STORY OF STARRY NIGHT. ... It is by far the most dreamlike, unreal part of the painting, beyond human comprehension and just out of reach. Go down one level to the cypress, the hills, and the other trees on the ground. They bend and swirl, still soft angles that match the soft swirls of the sky. The last part is the village.

Van Gogh Starry Night - The Painting and The Story

The Story of Art focuses mostly on European art, and mostly on painting. The author is quite up-front about this: he emphasizes European art because that's what he has seen most of, and because the book is already quite long enough. He includes mostly paintings because, he says, they lose least when rendered as photographs on the printed page.

Florentine tondi were often large, richly framed paintings, and Botticelli produced major works in this format, beginning with the Adoration of the Kings (c. 1473; also called Adoration of the Magi; in the collection of the National Gallery of Art in London), that he painted for Antonio Pucci. Before Botticelli, tondi had been conceived essentially as oblong scenes, but Botticelli suppressed ...
