In the wake of the terrorist attacks on September 11, 2011, discussions on ties between Islamic religious education institutions, namely madrassahs, and transnational terrorist groups have featured prominently in the Western media. In the frenzied coverage of events, however, vital questions have been overlooked: What do we know about the madrassahs? Should Western

policymakers be alarmed by the recent increase in the number of these institutions in Muslim countries? Is there any connection between them and the "global jihad"? Ali Riaz responds to these questions through an in-depth examination of the madraassahs in Pakistan, Bangladesh, and India. In Faithful Education, he examines these institutions and their roles in relation to current international politics.

areas of scholarly interest within this topic. In Islamic studies, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Islamic Studies, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit [www.aboutobo.com](http://www.aboutobo.com).
