Product Information. Michael Rosen's lively exploration of Shakespeare, reissued in an accessible new format for young middle-grade readers. More than four hundred years after William Shakespeare's death, his name is known in every corner of the world.

More than four hundred years after William Shakespeare's death, his name is known in every corner of the world. Why? Poet, critic, and Shakespeare enthusiast Michael Rosen answers that question, offering a whirlwind tour of Shakespeare's life, his London, and four of his plays: A Midsummer Night's Dream, Macbeth, King Lear, and The Tempest.

Celebrated poet, critic, and Shakespeare enthusiast Rosen offers kids a whirlwind tour of William Shakespeare's life, his London, and four of his plays: "A Midsummer Night's Dream, Macbeth, King Lear, " and "The Tempest." Illustrations.

"All the world's a stage", William Shakespeare wrote, "And all the men and women merely players." Sit back as the curtain goes up on the dramas, sonnets, and life of one of the greatest writers in the English language. Shakespeare wrote or contributed to more than 40 plays, ranging from romantic comedies to the profound tragedy King Lear, as well as 154 sonnets. The Shakespeare Book has visual plot summaries of each one, with diagrams to show the intricate web of relationships in plays such as A Midsummer's Night Dream. Commentaries explain Shakespeare's sources and set each drama in context, revealing, for instance, how the warring Protestants and Catholics of his day are mirrored in Romeo and Juliet's Montagues and Capulets. Written in plain English and packed with graphics and illustrations, The Shakespeare Book illumines the Bard's world - his marriage, businesses, and friends - and explains how his works became an enduring phenomenon. Whether you need a guide through complex plots and unfamiliar language, or you're looking for a fresh perspective on his well-loved plays and sonnets, this indispensable guide will help you fully appreciate Shakespeare, the man, and the writer. Reviews: "Generous helpings of illustrations, time lines, plot diagrams, and character guides ensure that even readers in their 'salad days' will enjoy every dish at the Shakespearean feast." - Booklist "Enlightening" - YA Book Central "In this latest addition to the series, the Bard comes alive for young aficionados." - School Library Journal "Countless volumes have been written about William Shakespeare and his work, but here is a single volume that has organized his plays (and some of his sonnets) in exactly what the subtitle says: 'Big Ideas Simply Explained...a must-have.'" - VOYA magazine

"This book offers a short, spirited defense of rhetoric and the liberal arts as catalysts for precision, invention, and empathy in today's world. The author, a professor of Shakespeare studies at a liberal arts college and a parent of school-age children, argues that high-stakes testing and a culture of assessment have altered how and what students are taught, as courses across the arts, humanities, and sciences increasingly are set aside to make room for joyless, mechanical reading and math instruction. Students have been robbed of a complete education, their imaginations stunted by this myopic focus on bare literacy and numeracy. Education is about thinking, Newstok argues, rather than the mastery of a set of rigidly defined skills, and the seemingly rigid pedagogy of the English Renaissance produced some of the most compelling and influential examples of liberated thinking. Each of the fourteen chapters explores an essential element of Shakespeare's world and work, aligns it with the ideas of other thinkers and writers in modern times, and suggests opportunities for further reading. Chapters on craft, technology, attention, freedom, and related topics combine past and present ideas about education to build a case for the value of the past, the pleasure of thinking, and the limitations of modern educational practices and prejudices"--

Shakespeare: His Work and His World is written by Michael Rosen in an accessible, modern, child-friendly style. As well as facts about his life and the theatre of the day, Rosen provides lively studies of Macbeth, A Midsummer Night's Dream, King Lear and The Tempest. Also included is a detailed analysis of a scene from Romeo and Juliet.

So what was it like to live in Shakespeare's time? What do we actually know about him? And how does someone become that famous? These are just a few of the questions addressed in this lively and accessible book on the life and works of William Shakespeare by award-winning author Michael Rosen. Ideal for browsing, the text is divided into clear sections and includes studies of four of Shakespeare's plays, intriguing facts and information about Shakespeare himself and the world at this time, accompanied by a useful timeline.

An electrifying new study that investigates the challenges of the Bard 's inconsistencies and flaws, and focuses on revealing—not resolving—the ambiguities of the plays and their changing topicality A genius and prophet whose timeless works encapsulate the human condition like no other. A writer who surpassed his contemporaries in vision, originality, and literary mastery. A man who wrote like an angel, putting it all so much better than anyone else. Is this Shakespeare? Well, sort of. But it doesn 't tell us the whole truth. So much of what we say about Shakespeare is either not true, or just not relevant. In This Is Shakespeare, Emma Smith—an intellectually, theatrically, and ethically exciting writer—takes us into a world of politicking and copycatting, as we watch Shakespeare emulating the blockbuster of Christopher Marlowe and Thomas Kyd (the Spielberg and Tarantino of their day), flirting with and skirting around the cutthroat issues of succession politics, religious upheaval, and technological change. Smith writes in strikingly modern ways about individual agency, privacy, politics, celebrity, and sex. Instead of offering the answers, the Shakespeare she reveals poses awkward questions, always inviting the reader to ponder ambiguities.

A portrait of Elizabethan England and how it contributed to the making of William Shakespeare discusses how he moved to London lacking money, connections, and a formal education; started a family; attempted to forge his career in the competitive theater world; grappled with dangerous religious and political forces; and rose to become his age's foremost playwright. 100,000 first printing.

A new biography of William Shakespeare that explores his private life in Stratford-upon-Avon, his personal aspirations, his self-determination, and his relations with the members of his family and his neighbours. The Private Life of William Shakespeare tells the story of Shakespeare in Stratford as a family man. The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge. It reconsiders clusters of evidence that have been held to prove some persistent biographical fables. It also shows how the histories of some of Shakespeare's neighbours illuminate aspects of his own life. Throughout, we encounter a Shakespeare who consciously and with purpose designed his life. Having witnessed the business failures of his merchant father, he determined not to follow his father's model. His early wedding freed him from craft training to pursue a literary career. His wife's work, and probably the assistance of his parents and brothers, enabled him to make the first of the property purchases that grounded his life as a gentleman. With his will, he provided for both his daughters in ways that were suitable to their circumstances; Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired. His funerary monument suggests that the man of 'small Latin and less Greek' in fact had some experience of an Oxford education. Evidences are that he commissioned the monument himself.
